**ORDER GRANTING INTERVENTION**

On November 3, 1999, Southwestern Bell Telephone Company (SWBT) filed an application to intervene. In its application, SWBT states that it has a direct interest in this case, and that its interests are different from the general public, and that no party to the case can protect those interests. SWBT also states that granting its intervention will be in the public interest because of its expertise and experience as a telecommunications provider.

The Commission has reviewed the application to intervene and finds that it is in substantial compliance with Commission rules regarding intervention and that SWBT has interests in this matter that are different from those of the general public. The Commission will grant the application to intervene.

**IT IS THEREFORE ORDERED:**

1. That Southwestern Bell Telephone Company is granted intervention.

2. That this order shall become effective on December 20, 1999.
