On November 23, 1999, Eclipse Telecommunications, Inc. (Eclipse), filed a letter requesting recognition of a name change; documentation to show a name change, registered with the Secretary of State, to BroadWing Telecommunications, Inc.; and a replacement tariff reflecting the name change with an effective date of December 23, 1999. On December 10, 1999, Eclipse filed substitute pages to correct some omissions in the replacement tariff. Eclipse is authorized to provide intrastate interexchange telecommunications services in the State of Missouri pursuant to the Commission's Order in Case No. TA-93-296 granting a certificate to Network Long Distance, Inc., d/b/a LDN Long Distance, Inc. The Commission's Staff reviewed the application and filed a Staff Recommendation and Memorandum on December 15, 1999. Staff stated that Staff has no objection to the proposed tariff, as amended, and recommends the Commission issue an order to amend Eclipse's certificate of service authority to provide interexchange telecommunications services and approve the following tariff pages effective December 23, 1999: BroadWing Telecommunications, Inc., P.S.C. The Commission has reviewed the request, the tariff sheets and Staff's recommendation and finds that the change of corporate name should be recognized and that the replacement tariff should be approved to become effective on December 23, 1999.

IT IS THEREFORE ORDERED:

- 1. That the change of name for BroadWing Telecommunications, Inc., formerly Eclipse Telecommunications, Inc., is recognized.

- 4. That this case may be closed on December 27, 1999.
