OF THE STATE OF MISSOURI**

In the Matter AT&T's Tariff Filing )  
to Introduce an IntraLATA Overlay ) Case No. TT-2000-22  
Plan, PSC Mo. No. 15 )

**ORDER ADOPTING PROCEDURAL SCHEDULE**

On September 30, 1999, the Staff of the Commission filed a motion to adopt a proposed procedural schedule. Staff proposed the following procedural schedule:

Direct testimony of AT&T	October 21, 1999
Rebuttal testimony of all parties	November 17, 1999
Surrebuttal and cross-surrebuttal	December 1, 1999
List of issues	December 6, 1999
All parties' position statements	December 13, 1999
Evidentiary hearing	December 20-21, 1999

The Commission will accept this proposal, and will apply the following conditions:

(A) The Commission will require the prefiling of testimony as defined in 4 CSR 240-2.130. All parties shall comply with this rule, including the requirement that testimony be filed on line-numbered pages. The practice of prefiling testimony is designed to give parties notice of the claims, contentions and evidence in issue and to avoid unnecessary

objections and delays caused by allegations of unfair surprise at the hearing.

(B) Pursuant to 4 CSR 240-2.130(15), testimony and schedules shall not be filed under seal and treated as proprietary or highly confidential unless the Commission has first established a protective order. Any testimony or schedule filed without a protective order first being established shall be considered public information.

(C) The parties shall agree upon and the Staff shall file a list of the issues to be heard, the witnesses to appear on each day of the hearing and the order in which they shall be called, and the order of cross-examination for each witness. Any issue not contained in this list of issues will be viewed as uncontested and not requiring resolution by the Commission.

(D) Each party shall file a statement of its position on each disputed issue. Such statement shall be simple and concise, and shall not contain argument about why the party believes its position to be the correct one.

(E) The Commission's general policy provides for the filing of the transcript within two weeks after the hearing. If any party seeks to expedite the filing of the transcript, such request shall be tendered in writing to the regulatory law judge at least five days prior to the date of the hearing.

(F) All pleadings, briefs and amendments shall be filed in accordance with 4 CSR 240-2.080. Briefs shall follow the same list of

issues as filed in the case and shall set forth and cite the proper portions of the record concerning the remaining unresolved issues that are to be decided by the Commission.

(G) All parties are required to bring an adequate number of copies of exhibits which they intend to offer into evidence at the hearing. If an exhibit has been prefiled, only three copies of the exhibit are necessary for the court reporter. If an exhibit has not been prefiled, the party offering it should bring, in addition to the three copies for the court reporter, copies for the five Commissioners, the regulatory law judge, and all counsel.
