The allegations raised by MICPA create sufficient question about discrimination that the Commission will suspend the proposed tariff. If, as MICPA asserts, the proposed tariff will charge only \$2.25 for a bundle of services that includes answer supervision and \$5.00 for answer supervision on an unbundled basis, it may be discriminatory. In order to allow sufficient time to study the effect of the proposed tariff and establish an evidentiary record to determine whether it is discriminatory, the proposed tariff will be suspended for a period of 120 days plus six months.

Proper parties should be given notice and an opportunity to intervene in this matter. The Records Department of the Commission shall send a copy of this order to all telecommunications companies certificated to do business in the state of Missouri.

MICPA also seeks intervention pursuant to 4 CSR 240-2.075. The Commission finds that MICPA's application to intervene is in substantial compliance with Commission rules regarding intervention and so will grant it.

IT IS THEREFORE ORDERED:

1. That the motion to suspend filed by Midwest Independent Coin Payphone Association on June 21, 2000 is granted and the tariff will be suspended.

2. That the proposed tariff sheets submitted on May 24, 2000, by Southwestern Bell Telephone Company and assigned Tariff No. 200001065, and subsequently docketed as Case No. TO-2000-837, are suspended for a

period of 120 days plus six months beyond June 25, 2000, to April 23, 2001, or until otherwise ordered by this Commission.

3. That the Records Department of the Commission shall provide notice as described in this order.

4. That any proper person or entity desiring to intervene shall, no later than November 3, 2000, submit an application to intervene to:

Secretary of the Missouri Public Service Commission
P.O. Box 360
Jefferson City, Missouri 65102

Copies of the application to intervene should be sent to:
