In the Matter of the Cancellation of the	)	
Certificate of Service Authority and	)	<u>Case No. TD-2000-689</u>
Accompanying Tariff for Executech Services,	)	
Inc.	)	

ORDER DIRECTING NEW NOTICE

The Staff of the Missouri Public Service Commission (Staff) filed a motion on April 27, 2000, asking the Commission to cancel the certificate of service authority, and accompanying tariff, which allows Executech Services, Inc. (Executech) to provide shared tenant services, for failure to comply with Missouri law and Commission orders. The Commission granted a certificate of service authority to provide shared tenant services to Executech in Case TA-88-168 on April 12, 1989.

Commission Rule 4 CSR 240-10.080(1) requires "all public utilities subject to the jurisdiction of the Missouri Public Service Commission" to file an annual report with the Commission by April 15 of each year. Staff stated that Executech had failed to file annual reports as agreed when signing its application. Staff stated that Executech did not file an annual report for 1998. Additionally, Staff stated that the 1999 annual report form sent to Executech was returned by the post office marked "Undeliverable." Staff stated that Executech was administratively dissolved by the Missouri Secretary of State on July 23, 1990 for failure to file an annual report. Staff

stated that Executech had not filed a formal request to cancel its certificate but that Staff believes that Executech has violated the terms of its certificate by its failure to file an annual report.

Staff sent a copy of its Motion to Open Case and Cancel Certificate of Service Authority upon Executech by sending a copy of the motion to Lucien R. Fouke, Jr., Executech Services, Inc., 711 Old Ballas, St. Louis, Missouri 65102 (sic), to W. Bevis Schock, Attorney at Law, 2115 South Jefferson Avenue, St. Louis, Missouri 63104, and to the Office of the Public Counsel on April 27, 2000. No objection has been filed.

The Commission notes that the address for Executech on Staff's Service List attached to the Staff's Motion to Open Case and Cancel Certificate of Service Authority includes an incorrect zip code for Executech. In order to ensure that Executech has received proper notice of Staff's Motion to cancel Executech's certificate and that Executech has been given a fair opportunity to be heard, the Commission will direct Staff to mail a copy of its motion with a new certificate of service reflecting Executech's proper address. Staff shall copy its certificate of service and motion to all other parties in the case and file seven copies with the Secretary of the Commission's Records Department for filing in this case: one to be filed in the official file, one copy for each of the Commissioners and one copy for the Law Judge.

IT IS THEREFORE ORDERED:

1. That the Staff of the Missouri Public Service Commission shall issue a copy of its Motion to Open Case and Cancel Certificate

of Service Authority with a new certificate of service reflecting the proper zip code for Executech Services, Inc. no later than June 19, 2000.

2. That Staff shall file seven copies of its new certificate of service and accompanying motion with the Secretary of the Commission, one to be filed in the official file, one copy for each of the Commissioners and one copy for the Law Judge no later than June 19, 2000.

3. That this order shall become effective on June 12, 2000.

BY THE COMMISSION
