ORDER APPROVING TARIFF

On January 25, 2000, the Commission issued an Order Granting Certificate of Service Authority to Provide Basic Local Exchange Telecommunications Services to Delta Phones, Inc. (Delta). Delta's certificate of service authority was to become effective upon the effective date of its approved tariffs. Pursuant to that order, Delta filed tariff sheets on February 4, 2000, with an effective date of March 20, 2000. Delta filed substitute tariff sheets on February 24, 2000, March 1, 2000, and March 13, 2000, and extended the effective date of the tariff to March 27, 2000.

On March 15, 2000, the Staff of the Missouri Public Service Commission (Staff) filed a memorandum recommending that the Commission grant approval of Delta's basic local exchange tariff, as amended. Staff states that it has determined that the tariff conforms to the Commission's standards and that it covers the provisions of resold intrastate telecommunications services. The tariff contains a list of the approved waivers listed in the order granting certification, sections on additional obligations of Delta, its products and

services, customers' rights and responsibilities, and lists the exchanges in which it will provide service. Staff also indicates that the tariff is similar to other competitive local exchange company tariffs previously approved by the Commission.

The Commission has reviewed the proposed tariff sheets and staff's recommendation, and finds that the tariff sheets, as amended, conform to the Commission's order of January 25, 2000. The Commission determines that the tariff sheets, as amended, should be approved to become effective March 27, 2000.

IT IS THEREFORE ORDERED:

1. That the proposed tariff sheets filed on February 4, 2000, by Delta Phones, Inc., and amended on February 24, 2000, March 1, 2000, and March 13, 2000, shall be approved to become effective on March 27, 2000. The specific tariff sheets approved are as follows:

3. That this order shall become effective on March 27, 2000.

4. That this case may be closed on March 28, 2000.
