

Investing in Water Systems

**The Infrastructure System
Replacement Surcharge has
funded more than \$xx million in
water system improvements from
{date} to {date}.**

Infrastructure Investment

The ISRS charge on your water bill helps fund completed improvements to the vast network of pipelines, fire hydrants and other critical components of St. Louis County’s water system. These ongoing improvements are designed to reduce the number of water main breaks, improve service reliability and fire protection and enhance the integrity of our water system.

The typical residential customer using x,xxx gallons of water pays an average of \$0.xx per quarter for ISRS. It’s an important investment in our community’s water service and fire protection.

ISRS Rates

Customer	Rate per 100 cubic feet (CCF)
Residential,	
Commercial or Other Public Authority	\$0.00
Public Water Supply District	\$0.00
Resale Customers	\$0.00

ISRS is implemented pursuant to Sections 393.1000, 393.1003, 393.1006 RSMo; CSR 240-2.060 (1) and 4 CSR 240-3.650

Missouri American Water maintains about 4,500 miles of water mains and 32,000 fire hydrants in St. Louis County. The Infrastructure System Replacement Surcharge (ISRS) helps us upgrade our aging infrastructure more quickly, improving water service reliability.
