Secretary/Chief Regulatory Law Judge

Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.

Staff's motion includes a certificate of service that recites that a copy of the motion was mailed or hand-delivered, on March 9, 2000, to Itelecom's president at an address in Riverdale, New York, and to Itelecom's attorneys in Washington, DC. The file includes no indication as to whether or not any copy was ever received, or whether any copy was returned by the post office as undeliverable. The Commission concludes that the record does not show that sufficient notice has been given to Itelecom to permit the Commission to exercise its authority under Section 392.410.5, RSMo Supp. 1999.

IT IS THEREFORE ORDERED:

1. That the Staff of the Missouri Public Service Commission shall give notice of its Motion to Cancel Certificate of Service Authority and Accompanying Tariff by mailing a copy thereof to Itelecom, and its attorneys of record by certified United States Mail, return receipt requested, and shall file its pleading in this case advising the Commission whether the same was delivered or was returned. The Staff shall further advise Itelecom in its cover letter that Commission rules require that a response be filed within ten days.

2. That this order shall become effective on June 5, 2000.
