BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of the Joint Application of)
Teligent, Inc. and Teligent Services, Inc.) Case No. TM-2000-584
for Authority to Restructure and for)
Related Transactions)

ORDER DIRECTING FILING

(

On March 17, 2000, Teligent, Inc. (Teligent) and Teligent Services, Inc. (TSI) filed a joint application requesting the Commission's approval of their corporate restructuring plan and transfer of assets. The joint application identified the parties by name and indicated prior case numbers where the Commission granted Teligent certificates for service authority to provide interexchange and basic local telecommunications services to customers in Missouri. The joint application made no other reference to those previous files.

Commission rule 4 CSR 240-2.060(1)(A) requires that, in addition to the legal name of the applicants, the application shall include the street and mailing address of the principal office or place of business of the applicants. The joint application does include the name and address of a contact person for TSI, but does not indicate whether that address is address of the principal office or place of business. No address is provided for Teligent. The joint application also indicates that both Teligent and TSI are Delaware corporations. The joint application of Teligent and TSI fails to include the street

and mailing address of the principal office or place of business of the applicants.

The Commission finds that the joint application of Teligent and TSI fails to comply with Commission rule 4 CSR 240-2.060(1)(A), and is, therefore, deficient. The Commission will order the joint applicants to comply with these Commission rules.

IT IS THEREFORE ORDERED:

1. That Teligent, Inc. and Teligent Services, Inc. are directed to file their amended joint application in compliance with Commission rule 4 CSR 240-2.060(1)(A) no later than 4:00 p.m. on April 3, 2000.
