ORDER AND ROVING TARIFF

(

(

On July 5, 2000, the Staff of the Missouri Public Service Commission (Staff) filed its recommendation indicating that Staff has

reviewed the tariff submitted by Sprint and recommends that the Commission approve it as submitted. Staff stated that the proposed tariff will "increase the amount of credit which Lifeline customers receive on their local telephone bills from \$5.25 to \$6.10 per month." Staff also stated that the proposed tariff will exempt "Lifeline customers from the assessment of the new Federal Universal Service Fund End User Charge." Staff indicated that the tariff filing was in compliance with the Sixth Report and Order in Docket Nos. 96-262 and 94-1, the Report and Order in Docket No. 99-249, and the Eleventh Report and Order in Docket No. 96-45 (collectively referred to as the "CALLS Order") issued by the Federal Communications Commission.

The Commission has reviewed the tariff sheet and Staff's recommendation and finds that the tariff sheet should be approved. In addition, the Commission finds that good cause exists to expedite the effective date of the tariff.

IT IS THEREFORE ORDERED:

1. That the Motion for Expedited Treatment filed by Sprint Missouri, Inc., on June 29, 2000, is granted.

2. That the tariff sheet filed by Sprint Missouri, Inc., on June 29, 2000, and assigned tariff number 200001219, is approved to become effective on July 21, 2000. The tariff sheet approved is:

Sprint Missouri, Inc. d/b/a Sprint, P.S.C. MO. NO. 22
Section 18, Second Revised Page 13 Canceling First Revised Page 13

3. That this order shall become effective on July 21, 2000.
4. That this case may be closed on July 24, 2000.

BY THE COMMISSION
