(Consolidated)

ORDER GRANTING MOTION
TO ESTABLISH PROCEDURAL SCHEDULE AND SET PREHEARING

The above-captioned cases involve applications of Fiber Four Corporation doing business under fictitious names for certificates of service authority to provide interexchange and local exchange telecommunications services pursuant to Chapter 392 of the Revised Statutes of Missouri. These cases were consolidated by Order of the Missouri Public Service Commission (Commission) on August 3, 1999.

On July 29, 1999, the Commission issued its Order in TA-2000-24, granting Fiber Four Corporation d/b/a Holway Long Distance a temporary

certificate of service authority to provide intrastate interexchange and local exchange telecommunications services pending determination of its application filed July 15, 1999, and approving the tariff filed in Tariff File No. 200000048 for service to be rendered on or after August 1, 1999.

On July 29, 1999, the Commission issued its Order in case number TA-2000-27, granting Fiber Four Corporation d/b/a Rock Port Long Distance a temporary certificate of service authority to provide intrastate interexchange and local exchange telecommunications services pending determination on its application filed July 15, 1999, and approving the tariff filed in Tariff File No. 200000046 for service to be rendered on or after July 30, 1999.

On August 26, 1999, the Commission issued its Order in case number TA-2000-23, granting Fiber Four Corporation d/b/a KLM Long Distance a temporary certificate of service authority to provide intrastate interexchange and local exchange telecommunications services pending determination on its application filed July 15, 1999, and approving the tariff filed in Tariff File No. 200000049, for service to be rendered on or after August 30, 1999.

On August 26, 1999, the Commission issued its Order in case number TA-2000-25, granting Fiber Four Corporation d/b/a IAMO Long Distance a temporary certificate of service authority to provide intrastate interexchange and local exchange telecommunications services pending determination on its application filed July 15, 1999, and approving the tariff filed in Tariff File No. 200000047, for service to be rendered on or after August 30, 1999.

On July 30, 1999, AT&T Communications of the Southwest (AT&T) filed its Application to Intervene and Motion to Consolidate all four cases with case number TT-2000-22. On August 9, 1999, Fiber Four filed its Response to AT&T's application to intervene and motion to consolidate. On August 9, 1999, Staff filed its Response to AT&T's application to intervene and motion to consolidate. On August 11, 1999, AT&T filed its Reply to the Responses of Fiber Four and Staff. On August 26, 1999, the Commission granted AT&T's intervention but denied its motion for consolidation.

On September 29, 1999, AT&T filed its Motion to Establish Procedural Schedule. AT&T requested that the Commission issue an order setting a prehearing conference and requiring the filing of a proposed procedural schedule. Commission Rule 4 CSR 240-2.090(4) Discovery and Prehearings (4) states: "Any party may petition the commission to hold a prehearing conference at any time prior to the hearing."

A prehearing conference should be scheduled to afford the parties the opportunity to discuss, define, and possibly resolve the issues presented in this case, or at least to agree on a procedural schedule. The Commission will also set a date for the filing of a proposed procedural schedule in order to ensure that this case progresses.

IT IS THEREFORE ORDERED:

1. That a prehearing conference will be held on October 29, 1999, at 9:00 a.m. at the Commission's offices on the fifth floor of the Harry S Truman State Office Building, 301 West High Street, Jefferson City, Missouri.

2. That anyone with special needs as addressed by the Americans with Disabilities Act should contact the Missouri Public Service Commission at least ten (10) days before the prehearing or hearing at one of the following numbers: Consumer Services Hotline - 1-800-392-4211 or TDD Hotline - 1-800-829-7541.

3. That the parties shall file a proposed procedural schedule no later than 3:00 PM on November 12, 1999.

4. That this order shall become effective on October 26, 1999.
