ORDER CANCELING PREHEARING CONFERENCE

On August 31, 1999, CCCMO, Inc., d/b/a Connect! (Connect), filed its application for a certificate of service authority to provide basic local and local exchange telecommunications service in the state of Missouri, and to classify such services and the company as competitive.

On October 7, 1999, Southwestern Bell Telephone Company (SWBT) timely filed an application to intervene, which the Commission granted by order issued October 27, 1999. That order also set a prehearing conference for November 10, 1999, and required that a proposed procedural schedule be filed on or before November 30, 1999.

On November 9, 1999, the Staff of the Missouri Public Service Commission (Staff) advised the Commission that a unanimous stipulation and agreement would likely be filed by November 30, 1999. As it appears that a prehearing conference is no longer necessary to move this matter to prompt resolution, the prehearing conference set for November 10, 1999, shall be canceled. The parties shall file either a proposed procedural schedule or a stipulation and agreement by November 30, 1999.

IT IS THEREFORE ORDERED:

1. That the prehearing conference previously set for November 10, 1999, is canceled.

2. That the parties shall file a proposed procedural schedule no later than November 30, 1999. The procedural schedule need not be filed if the parties submit a stipulation and agreement by that date.

3. That this order shall become effective on November 10, 1999.
