Adelphia Business Solutions Operations,)
Inc. for Certificate of Service Authority)
to Provide Basic Local Telecommunications) Case No. TA-2000-215
Service in Portions of the State of)
Missouri and for Competitive Classification.)

ORDER GRANTING INTERVENTION, SETTING A PREHEARING CONFERENCE
AND DIRECTING FILING OF PROCEDURAL SCHEDULE

Adelphia Business Solutions Operations, Inc. (Adelphia) filed an application on September 3, 1999, for a certificate of service authority to provide basic local telecommunications service in the state of Missouri. Adelphia wishes to provide basic local telecommunications services in the exchanges currently served by Southwestern Bell Telephone Company (SWBT), GTE Midwest Incorporated (GTE), and Sprint of Missouri (Sprint). On September 7, the Commission issued an order and notice, directing interested parties to file applications to intervene no later than October 7.

On September 27, SWBT filed an application to intervene. SWBT stated that it has a direct interest in the Commission's decision regarding Adelphia's application because Adelphia will be in direct competition with SWBT. SWBT states that its interest as a provider of basic local exchange service differs from that of the general public.

SWBT further states that its intervention would be in the public interest because of its extensive expertise and experience as a telecommunications provider.

The Commission has reviewed the application and finds that it is in substantial compliance with Commission rules regarding intervention and that the applicant has an interest in this matter that is different from that of the general public. The Commission concludes that the request for intervention should be granted and that the parties should file a proposed procedural schedule. In order to assist in the development of the procedural schedule and to clarify the issues in dispute, an early prehearing conference will be scheduled. The procedural schedule shall include dates for the filing of testimony and for a hearing. If no party requests a hearing, the Commission may grant the service authority and competitive classification requested without a hearing. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2D 494, 496 (Mo. App. 1989).

IT IS THEREFORE ORDERED:

1. That Southwestern Bell Telephone Company is granted intervention in this case in accordance with 4 CSR 240-2.075(4).

2. That an early prehearing conference shall be held on November 23, 1999, beginning at 10:00 a.m. The prehearing conference shall be held at the Commission's offices on the fifth floor of the Harry S Truman State Office Building, 301 West High Street, Jefferson City, Missouri. Anyone wishing to attend who has special needs as addressed

by the Americans with Disabilities Act should contact the Missouri Public Service Commission at least ten (10) days before the prehearing conference at: Consumer Services Hotline - 1-800-392-4211 or TDD Hotline - 1-800-829-7541.

3. That the parties shall file a proposed procedural schedule no later than November 30, 1999. The procedural schedule shall include dates for the filing of testimony and for a hearing.

4. That this order shall become effective on October 25, 1999.
