On February 9, 1999, the Commission issued an Order Approving Sale and Transfer of Assets that required Riverside Utility Company (RUC) to file tariff sheets reflecting the necessary changes as authorized in the Commission's order no later than March 11. On March 11, RUC filed the tariff sheets as required. On March 25, RUC submitted substitute sheets to make a correction at the request of the Staff of the Missouri Public Service Commission (Staff).

On March 31, Staff filed a memorandum recommending that the Commission approve the proposed tariff sheets as filed and as substituted to become effective on April 10. Staff stated that it had reviewed the tariff sheets and it is of the opinion that the tariff sheets comply with the Commission's order.

The Commission has reviewed RUC's tariff filing and Staff's memorandum. The Commission finds that the tariff sheets filed and substituted should be approved for service rendered on or after April 10.
