ORDER APPROVING TARIFFS FILED IN COMPLIANCE WITH COMMISSION ORDER

On October 31, 2000, the Commission issued an order approving Union Electric Company d/b/a AmerenUE's request for a variance from Commission rule 4 CSR 240-13.015(1)(R). The variance permitted AmerenUE's electric and gas customers to participate in AmerenUE's budget billing program utilizing internet billing. The order provided that the variance would not take effect until AmerenUE filed, and the Commission approved, tariff revisions reflecting the approved variance. On January 23, 2001, AmerenUE filed revised tariff sheets reflecting the approved variance. AmerenUE's tariff sheets bore an effective date of February 23.

The Staff of the Commission (Staff) reviewed the tariff sheets and filed a Recommendation and Memorandum on February 14, indicating that the submitted tariff sheets are in compliance with the Commission's order of October 31, 2000. Staff recommends that the Commission approve the submitted tariff sheets, effective on February 23, the requested effective date.

The Commission has reviewed the tariff sheets and Staff's recommendation and finds that the tariff sheets conform to the Commission's order of October 31, 2000 and should be approved to become effective on February 23.

IT IS THEREFORE ORDERED:

1. That the tariffs filed by Union Electric Company d/b/a AmerenUE on January 23, 2001, and assigned tariff numbers 200100770 and 200100771, are approved to become effective on February 23, 2001. The tariffs approved are:
