Summit Natural Gas of Missouri's)	File No. GR-2014-0096,
Purchased Gas Adjustment)	as consolidated

STATUS REPORT

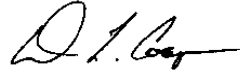

Comes now Summit Natural Gas of Missouri, Inc. ("SNGMO" or "Company"), and respectfully provides to the Missouri Public Service Commission ("Commission") the following Status Report:

1. On January 8, 2015, the Commission, in response to the Staff's suggestion that the parties be granted additional time to continue settlement discussion, issued its Order Directing Filing (Order) wherein it directed that no later than February 6, 2015, the parties file a stipulation and agreement, a joint proposed procedural schedule, or a status report.
2. In response to the Commission's Order, SNGMO reports that Staff and the Company have exchanged settlement proposals. This process has not yet run its course because of some SNGMO personnel availability issues. SNGMO believes that completion of the settlement conversations have the potential to resolve this matter in a way that will benefit the parties and the Commission. Accordingly, SNGMO requests that the Commission grant the parties until March 6, 2015, to complete this process.
3. Counsel for Staff has reviewed this Status Report prior to its filing and has informed the undersigned that Staff supports the request made herein.

WHEREFORE, Summit Natural Gas of Missouri, Inc. respectfully requests that the Commission consider this response to satisfy the Order Directing Filing and issue such further

orders as it believes to be reasonable and just.

Respectfully submitted,
