STATUS REPORT

COMES NOW Missouri-American Water Company (“MAWC”), and provides the following status report in response to the Missouri Public Service Commission’s (“Commission”) Order Directing Filing:

1. On February 8, 2008, the Commission issued its Order Directing Filing wherein it directed MAWC to file a status report no later than March 25, 2008, regarding the authorized transactions concerning the Paradise Valley water system.
2. Since the issuance of the Commission’s Order Granting Certificate of Convenience and Necessity, MAWC has worked to install its new facilities and customers have worked to have plumbers prepare their service lines to MAWC’s specifications. Some work must still be completed. However, it is MAWC’s intent to complete the closing and to begin providing service to the subject subdivision on or about May 15, 2008.

WHEREFORE, MAWC respectfully requests the Commission consider this Status Report to comply with the Commission’s Order Directing Filing.

Respectfully submitted,
