OF THE STATE OF MISSOURI**

In the Matter of the Application of GTE)

Incorporated for Approval of Interconnection) Case No. TO-2000-682
Agreement with 1-800-RECONEX, Inc., Pursuant)
to Section 252(e) of the Telecommunications)
Act of 1996.)

**ORDER DIRECTING NOTICE
AND MAKING 1-800-RECONEX, INC., A PARTY**

On April 26, 2000, GTE Midwest Incorporated (GTE Midwest) and GTE Arkansas (GTE AR) (collectively, GTE or applicants) filed an application with the Commission for approval of an interconnection agreement with 1-800-RECONEX, Inc. (RECONEX), under the provisions of the federal Telecommunications Act of 1996 (the Act). The applicants state that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. The applicants request expeditious approval of the agreement.

Although RECONEX is a party to the agreement, it did not join in the application. Because RECONEX is a necessary party to a full and fair adjudication of this matter, the Commission will add RECONEX as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity. 47 U.S.C. § 252(e).

The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for hearing or an application to participate without intervention. Participation may be permitted for the limited purpose of filing comments addressing whether this agreement meets the federal standards for approval of interconnection or resale agreements. The requirement of a hearing is met when an opportunity to be heard has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2D 494, 496 (Mo. App. 1989).

Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously and, if there are no requests for a hearing, relief may be granted based on the verified petition. The Commission finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

IT IS THEREFORE ORDERED:

1. That the Records Department of the Commission shall send notice to all interexchange and local exchange telecommunications companies.
2. That 1-800-RECONEX, Inc., is made a party to this case.
3. That any party wishing to request a hearing or to participate without intervention in this matter shall file an application no later than May 23, 2000, with:

4. That the Staff of the Commission shall file a memorandum advising either approval or rejection of this agreement and giving the reasons therefor no later than July 5, 2000.

5. That this order shall become effective on May 16, 2000.
