STATE OF MISSOURI  
PUBLIC SERVICE COMMISSION

At a Session of the Public Service  
Commission held at its office  
in Jefferson City on the 23rd  
day of November, 1994.

In the matter of Union Electric Company's Purchased Gas       )  
Adjustment factors to be audited in its 1994-1995 Actual       ) Case No. GR-94-353  
Cost Adjustment.   )

ORDER APPROVING INTERIM RATES EFFECTIVE NOVEMBER 28, 1994

On November 10, 1994, Union Electric Company (Company) filed tariff sheets reflecting changes in the Purchased Gas Adjustment (PGA) Factors for two of its Missouri natural gas service areas resulting from changes in the cost of natural gas as well as refund changes in one of the areas. Additionally, the Transportation Service charges for both areas will change.

The area served by Texas Eastern Transmission Corporation will experience a net decrease in annualized revenues of approximately \$375,000. The area served by Natural Gas Pipeline Company of America will experience an increase in annualized revenues of approximately \$108,000.

The Missouri Public Service Commission Staff (Staff) recommended the tariff sheets submitted in this filing be approved interim subject to refund pending final Commission decisions in Case Nos. GR-93-106 and GR-94-123, the Company's 1992-1993 and 1993-1994 Actual Cost Adjustment filings, respectively. Staff is also of the opinion that the filing complies with the Company's current PGA clause.

After considering Staff's recommendation and for good cause shown pursuant to Section 393.140(11) RSMo 1986, the Commission is of the opinion that the proposed tariff sheets should be approved to become effective on and after the requested effective date, November 28, 1994, interim subject to refund.
