

STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a Session of the Public Service
Commission held at its office
in Jefferson City on the 9th
day of March, 1993.

In the matter of the application of Research)
Medical Center for certificate of)
service authority to provide shared tenant) Case No. TA-92-113, et al.
services within the state of Missouri.)

ORDER TO SUBMIT PROPOSED PROCEDURAL SCHEDULE

On November 25, 1991, the Applicant(s) submitted application(s) which respectfully sought a certificate of service authority to provide shared tenant services (STS) and which requested that the "single building or less" requirement be waived. On December 6, 1991, the Commission issued its Order and Notice on each of the above respective cases. On October 30, 1992, the Commission issued its order consolidating these cases, as captioned herein, and within that same order the Commission found that the Applicant(s) had failed to demonstrate justification for waiver of the STS requirements concerning the single building or less provision. The Commission went on to order that the Applicant(s) be afforded the opportunity to provide additional evidence to support the request for waiver at the proposed locations. On December 2, 1992, a prehearing conference was held in this matter so that the need for additional justification could be addressed to the Applicant(s).

No filings have been received from the Applicant(s) since their original applications were filed in November of 1991, nor has any further evidence been offered in support of the requested waiver since the Pre-Hearing Conference of December 2, 1992. In reviewing the status of the application(s), the Commission finds that if the Applicant(s) no longer seeks the authority requested then the application(s) should be withdrawn. In the alternative, if the Applicant(s) intends to move forward the Commission finds that a procedural

schedule is warranted herein. The Commission will order that a proposed procedural schedule be submitted within thirty (30) days unless the parties elect to withdraw their application(s) in the interim period.

IT IS THEREFORE ORDERED:

1. That the parties herein shall submit a proposed procedural schedule within thirty (30) days, or not later than April 12, 1993, unless the Applicant(s) withdraw their application(s) during the interim.

2. That this order shall become effective on the date hereof.
