ORDER AMENDING PROCEDURAL SCHEDULE

On December 9, 1992, Office of Public Counsel (OPC) filed its Motion for Additional Time to Submit Prefiled Testimony. No party responded to this Motion and on December 22, 1992 a Notice was issued moving the deadline for prefiled direct testimony in accordance with OPC's Motion. On February 4, 1993, the Public Service Commission Staff (Staff) filed a Motion to Amend the Deadline for Prefiled Testimony in which it requested that the dates be changed such that the prefiled testimony from Orchard Farm, Southwestern Bell Telephone and Staff would be due on February 19, 1993, testimony from OPC would be due on February 24, 1993 and the testimony from AT&T would be due on February 22, 1993.

On February 10, 1993, AT&T filed its Response to Staff's Motion to Amend the Deadline for Prefiled Direct Testimony in which AT&T stated that at the time it was granted intervention the established deadline for the prefiled testimony was February 24, 1993. AT&T states that it has relied upon this deadline and states that it cannot consent to Staff's Motion. All other parties consented to the Staff's Motion.

Staff's Motion will be denied as to the request to change the date for At&T's prefiled direct testimony. Staff's Motion will be granted as to all other parties.

IT IS THEREFORE ORDERED:

1. That the scheduled deadlines for prefiled testimony will be as follows:

prefiled direct testimony for
Orchard Farm, Southwestern Bell
Telephone and Staff

February 19, 1993,

prefiled direct testimony for
Office of Public Counsel and
for AT&T

February 24, 1993.

2. That this order shall become effective on the date hereof.
