Commission held at its office

day of September, 1981.

CASE NO. EO-82-65

In the matter of Kansas City Power &
Light Company of Kansas City, Missouri,
for authority to file a Levelized Pay-
ment Plan for residential customers
in the Missouri service area of the
Company.

ORDER VACATING SUSPENSION

On August 13, 1981, the Kansas City Power & Light Company of
Kansas City, Missouri, submitted to this Commission a Levelized Payment
Plan for residential customers in the Missouri service area of the
Company. The proposed rules had a requested effective date of Septem-
ber 14, 1981. On September 11, 1981, the proposed tariffs were sus-
pended for a period of one hundred twenty (120) days beyond September 14,
1981, unless otherwise ordered by the Commission.

The Levelized Payment Plan is offered by the Company for
certain customers who wish to make equal monthly payments instead of
paying their actual monthly bills and who meet certain credit record
eligibility.

The Commission is of the opinion that the proposed Plan should
be allowed to become effective on an interim basis in order that said
Plan be evaluated for a period, beginning September 30, 1981, and
ending December 15, 1982, unless otherwise ordered by this Commission.

It is, therefore,

ORDERED: 1. That the tariff sheets filed by Kansas City
Power & Light Company of Kansas City, Missouri, on August 13, 1981,
are hereby disallowed and that Company is ordered to file in lieu thereof
amended tariff sheets for Commission approval to comply with this Order
by September 23, 1981, to become effective September 30, 1981.

ORDERED: 2. That Company shall file with the Commission
quarterly reports indicating the number of customers electing said plan,
terminating said election, and any action of Company to terminate a
customer's participation, as well as Company or Customers reasons
therefor.

ORDERED: 3. That this Order shall become effective on the
date hereof.
