Re: Metropolitan Telecommunications of Missouri, Inc. ("Metropolitan")
Intrastate Switched Access Service Tariff Revision
File No. TT-2011-0344

Dear Mr. Reed:

AT&T Communications of the Southwest, Inc., Southwestern Bell Telephone Company, d/b/a AT&T Missouri and AT&T Mobility ("AT&T Companies") wish to withdraw their Motion to suspend and investigate Metropolitan's proposed March 25, 2011 tariff filing.

The AT&T Companies' Motion had raised concerns with the tariff's imposition of access charges on terminating intraMTA wireless traffic. This afternoon, however, we were advised that Metropolitan addressed the concerns the AT&T Companies raised by withdrawing the wireless termination section from the proposed tariff. Accordingly, the AT&T Companies withdraw their Motion.

Please call me with any questions or if anything further is needed.

Very truly yours,

Leo J. Bub
