You should rely on the information contained or incorporated by reference in this prospectus supplement and the accompanying prospectus. We have not, and the underwriters have not, authorized any other person to provide you with any different information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not, and the underwriters are not, making an offer to sell these securities in any jurisdiction where the offer or sale is not permitted. You should assume that the information appearing in this prospectus supplement, the accompanying prospectus and the documents incorporated by reference is accurate only as of the dates appearing on the covers of those documents. Our business, financial condition, results of operations and prospects may have changed since those dates.

### DESCRIPTION OF SENIOR NOTES

#### **General**

The Senior Notes will be initially issued in the principal amount of \$250,000,000 and will mature on December 15, 2005. We may issue additional Senior Notes in the future at our discretion. Additional information describing the Senior Notes and the Indenture under which they are to be issued is included in "Description of Debt Securities" in the accompanying prospectus.

#### **Interest**

We will pay interest on the Senior Notes at the annual rate stated on the cover of this prospectus supplement. Interest will accrue from December 19, 2000 or from the most recent interest payment date to which interest has been paid. Interest is payable on June 15, 2001 and thereafter semi-annually on December 15 and June 15 of each year to holders of record at the close of business on the December 1 or June 1, as the case may be, immediately preceding that interest payment date.

#### **Certain Rights to Require Repurchase of Senior Notes by Kansas City Power & Light Company**

*Business Separation and Ratings Decline.* In the event of (a) the consummation of the sale, transfer or lease of all or substantially all of the assets relating to our generation business by us (a "separation event") and (b) the reduction, within 30 calendar days after such separation event, of

the credit ratings on the Senior Notes immediately prior to such separation event by both Moody's Investors Service, Inc. (or Moody's) and Standard & Poor's Ratings Services (or Standard & Poor's) due to such separation event, the following will apply. Each holder of Senior Notes will have the right, at the holder's option, to require us to repurchase all or any part of the holder's Senior Notes on the repurchase date (as defined below) at a price equal to 100% of the principal amount of the Senior Notes, plus accrued and unpaid interest, to the repurchase date.

*Acquisition Event and Ratings Decline.* In the event of (a) the consummation of the acquisition of us by an unaffiliated third party (an "acquisition event") and (b) the reduction, within 30 calendar days after such acquisition event, of the credit ratings on the Senior Notes immediately prior to such acquisition event to less than Baa2 by Moody's and BBB by Standard & Poor's due to such acquisition event, the following will apply. Each holder of Senior Notes will have the right, at the holder's option, to require us to repurchase all or any part of the holder's Senior Notes on the repurchase date at a price equal to 100% of the principal amount of the Senior Notes, plus accrued and unpaid interest, to the repurchase date.

*General.*

Upon the consummation of the separation event or acquisition event, we are obligated to obtain from the rating agencies, on such date, confirmation of the ratings on the Senior Notes. We are obligated to give notice to the trustee and holders of the Senior Notes within 30 calendar days after the later of (i) consummation of the separation event or the acquisition event and (ii) the related ratings downgrade. We shall also concurrently cause a copy of such notice to be published in a newspaper of general circulation in the Borough of Manhattan, The City of New York. The date of such publication is called the "notice date." To exercise this put option, a holder of Senior Notes must, on or before the close of business 5 business days prior to the repurchase date, notify the trustee and information agent of such holder's exercise of the put option and complete and submit appropriate documentation.

The "repurchase date" means the 30th calendar day after the notice date.

As of the date of this prospectus supplement, our current senior unsecured long-term debt (which includes the Senior Notes) rating by Moody's is A2 (on review for possible downgrade) and by Standard & Poor's is BBB+.

**Optional Redemption**

We may redeem the Senior Notes at our option at any time, upon no more than 60 and not less than 30 days' notice by mail. We may redeem the Senior Notes either as a whole or in part at a redemption price equal to the greater of (i) 100% of the principal amount of the Senior Notes being redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Senior Notes being redeemed (excluding the portion of any such interest accrued to the date of redemption) discounted (for purposes of determining present value) to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 25 basis points, plus, in each case, accrued interest thereon to the date of redemption.

"Treasury Rate" means, with respect to any redemption date, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Senior Notes that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Senior Notes.

“Comparable Treasury Price” means, with respect to any redemption date, (i) the average of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) on the third business day preceding such redemption date, as set forth in the daily statistical release (or any successor release) published by the Federal Reserve Bank of New York and designated “Composite 3:30 p.m. Quotations for U.S. Government Securities” or (ii) if such release (or any successor release) is not published or does not contain such prices on such third business day, the Reference Treasury Dealer Quotation for such redemption date.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by us and reasonably acceptable to the trustee.

“Reference Treasury Dealer” means a primary U.S. Government Securities Dealer in New York City selected by us and reasonably acceptable to the trustee.

“Reference Treasury Dealer Quotation” means, with respect to the Reference Treasury Dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the trustee by such Reference Treasury Dealer at or before 5:00 p.m., New York City time, on the third business day preceding such redemption date.

### **Book-Entry System**

This discussion regarding The Depository Trust Company (“DTC”) and its book-entry system supplements the discussion of depository arrangements in “Description of Debt Securities-Global Securities” in the prospectus.

DTC will act as securities depository for the Senior Notes. The Senior Notes will be issued in fully registered form in the name of Cede & Co. (DTC’s partnership nominee). One or more fully-registered Senior Note certificates will be issued as global securities for the Senior Notes, in the aggregate principal amount of the Senior Notes, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (“Direct Participants”) deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Direct Participants’ accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants” and together with Direct Participants, “Participants”).

The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of Senior Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Senior Notes on DTC's records. The ownership interest of each actual purchaser of Senior Notes ("Beneficial Owner") is in turn to be recorded on the Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Senior Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Senior Notes, except in the event that use of the book-entry system for the Senior Notes is discontinued.

The deposit of Senior Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Senior Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Senior Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. will consent or vote with respect to Senior Notes. Under its usual procedures, DTC would mail an Omnibus Proxy to Kansas City Power & Light Company as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Senior Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Senior Notes will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or Kansas City Power & Light Company, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of Kansas City Power & Light Company, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursements of such payments to the Beneficial Owners shall be the responsibility of Participants.

DTC may discontinue providing its services as securities depository with respect to the Senior Notes at any time by giving reasonable notice to Kansas City Power & Light Company. Under such circumstances, in the event that a successor securities depository is not obtained, Senior Note certificates are required to be printed and delivered. Kansas City Power & Light Company may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Senior Note certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Kansas City Power & Light Company believes to be reliable (including DTC), but neither Kansas City Power & Light Company nor the underwriters take responsibility for the accuracy thereof.

Neither Kansas City Power & Light Company, the trustee nor the underwriters will have any responsibility or obligation to Participants, or the persons for whom they act as nominees, with respect to the accuracy of the records of DTC, its nominee or any Participant with respect to any ownership interest in the Senior Notes, or payments to, or the providing of notice for, Participants or Beneficial Owners.

## UNDERWRITING

Subject to the terms and conditions of the underwriting agreement, we have agreed to sell to each of the underwriters named below and each of the underwriters has severally agreed to purchase from us the respective principal amount of Senior Notes set forth opposite its name below:

<u>Underwriter</u>	<u>Principal Amount of Senior Notes</u>
Banc of America Securities LLC .....	\$100,000,000
Merrill Lynch, Pierce, Fenner & Smith Incorporated .....	\$100,000,000
Banc One Capital Markets, Inc. ....	\$ 25,000,000
ABN AMRO Incorporated .....	\$ 12,500,000
BNY Capital Markets, Inc. ....	\$ 12,500,000
Total .....	<u>\$250,000,000</u>

We have agreed to indemnify the underwriters against certain liabilities, including liabilities under the Securities Act of 1933, or to contribute to payments the underwriters may be required to make in respect of those liabilities.

The underwriters are offering the Senior Notes, subject to prior sale, when, as and if issued to and accepted by them, subject to approval of legal matters by their counsel, including the validity of the Senior Notes, and other conditions contained in the underwriting agreement, such as the receipt by the underwriters of officer's certificates and legal opinions. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

### Commissions and Discounts

The underwriters have advised us that they propose initially to offer the Senior Notes to the public at the public offering price on the cover page of this prospectus supplement, and to dealers at that price less a concession not in excess of .35% per Senior Note. The underwriters may allow, and such dealers may reallow, a discount not in excess of .25% per Senior Note to certain brokers and other dealers. After the initial public offering, the public offering price, concession and reallowance may be changed.

The expenses of the offering, not including the underwriting discount, are estimated to be \$323,600 and are payable by us.

### **New Issue of Senior Notes**

The Senior Notes are a new issue of securities with no established trading market. We do not intend to apply for the listing of the Senior Notes on any national securities exchange or for quotation of the Senior Notes on any automated dealer quotation system. We have been advised by the underwriters that they presently intend to make a market in the Senior Notes after completion of the offering. However, the underwriters are under no obligation to do so and may discontinue any market-making activities at any time without any notice. We cannot assure the liquidity of the trading market for the Senior Notes or that an active public trading market for the Senior Notes will develop. If an active public trading market for the Senior Notes does not develop, the market price and liquidity of the Senior Notes may be adversely affected.

### **Price Stabilization, Short Positions and Penalty Bids**

In order to facilitate the offering of the Senior Notes, the underwriters may engage in transactions that stabilize, maintain, or otherwise affect the price of the Senior Notes. Specifically, the underwriters may over-allot in connection with the offering, creating a short position in the Senior Notes for their account. In addition, to cover over-allotments or to stabilize the price of the Senior Notes, the underwriters may bid for, and purchase, the Senior Notes in the open market. Finally, the underwriting syndicate may reclaim selling concessions allowed to syndicate members or other broker dealers for distributing the Senior Notes in the offering if the syndicate repurchases previously distributed Senior Notes in transactions to cover syndicate short positions, in stabilization transactions, or otherwise. Any of these activities may stabilize or maintain the market price of the Senior Notes above independent market levels. The underwriters are not required to engage in these activities, and may end any of these activities at any time.

### **Other Relationships**

The underwriters and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us. The underwriters have received customary fees and commissions for these transactions.

## DESCRIPTION OF DEBT SECURITIES

The debt securities are to be issued under an Indenture to be entered into between the Company and The Bank of New York, as Trustee ("Trustee"), (the "Indenture"), a form of which is included as an exhibit to the registration statement of which this prospectus is a part. The Company may also enter into one or more amendments or supplements to the Indenture, or additional indentures with other trustees, with respect to certain of the debt securities. Any such indenture would contain covenants and other provisions similar to those described below. Reference is made to the prospectus supplement regarding any additional indentures or additional terms and provisions under which debt securities will be issued.

The Company may from time to time offer under this prospectus unsecured debt securities, which may be senior debt securities or subordinated debt securities. Unless otherwise provided in a prospectus supplement, the senior debt securities will be unsecured obligations of the Company and will rank on a parity with all other unsecured and unsubordinated indebtedness of the Company. The subordinated debt securities ("Subordinated Securities") will be unsecured obligations of the Company, unless otherwise provided in a prospectus supplement, subordinated in right of payment to the prior payment in full of all Senior Indebtedness (which term includes senior debt securities) of the Company as described below under "Subordination" and in the applicable prospectus supplement.

There is no requirement that future issues of debt securities of the Company be issued under the Indenture, and the Company will be free to employ other indentures or documentation, containing provisions different from those included in the Indenture or

applicable to one or more issues of securities, in connection with future issues of such other debt securities.

Unless otherwise provided in a prospectus supplement, the debt securities will effectively rank junior to the first mortgage bonds ("General Mortgage Bonds") of the Company which were issued under the General Mortgage Indenture and Deed of Trust, dated as of December 1, 1986, from the Company to United Missouri Bank of Kansas City, N.A., Trustee, as supplemented ("Mortgage Indenture"). The Mortgage Indenture constitutes a first mortgage lien upon substantially all of the fixed property and franchises of the Company. At September 30, 2000, there was approximately \$455,300,000 principal amount of General Mortgage Bonds outstanding. Certain outstanding series of the Company's unsecured debt restrict the issuance of additional General Mortgage Bonds, unless these series are similarly secured, and also generally restrict, subject to exceptions, providing collateral to secure debt of the Company unless they are comparably secured.

The Indenture does not specifically restrict the ability of the Company to engage in transactions which could have the effect of increasing the ratio of debt to equity capitalization of the Company or a successor corporation. For example, the Indenture does not limit the amount of indebtedness of the Company or the acquisition by the Company of any of the equity securities of the Company. The Indenture also permits the Company to merge or consolidate or to transfer its assets, subject to certain conditions (see "Consolidation, Merger and Sale" below).

The following summary of the Indenture does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Indenture, including the definitions therein of certain terms.

**General:** The Indenture provides that the debt securities offered and other unsecured debt securities of the Company, without limitation as to aggregate principal amount (collectively the "Indenture Securities"), may be issued in one or more series, in each case as authorized from time to time by the Company.

Reference is made to the prospectus supplement relating to the series of debt securities offered for the following terms:

- (1) the title of the debt securities;
- (2) the aggregate principal amount of the debt securities;
- (3) the percentage of the principal amount representing the price for which the debt securities shall be issued;
- (4) the date or dates on which the principal of, and premium, if any, on the debt securities shall be payable;
- (5) the rate or rates (which may be fixed or variable) at which the debt securities shall bear interest, if any, or the method by which such rate or rates shall be determined;
- (6) if the amount of payments of the principal of, premium, if any, or interest, if any, on the debt securities may be determined with reference to an index, formula or other method, the manner in which such amounts shall be determined;

- (7) the date or dates from which any such interest shall accrue, or the method by which such date or dates shall be determined, the dates on which any such interest shall be payable and any record dates therefor;
- (8) the place or places where the principal of, and premium, if any, and interest, if any, on the debt securities shall be payable;
- (9) the period or periods, if any, within which, the price or prices at which, and the terms and conditions upon which the debt securities may be redeemed, in whole or in part, at the option of the Company;
- (10) the obligation, if any, of the Company to redeem, purchase or repay the debt securities pursuant to any sinking fund or analogous provision or at the option of a holder thereof and the period or periods within which, the price or prices at which, and the terms and conditions upon which the debt securities shall be redeemed, purchased or repaid pursuant to such obligation;
- (11) whether the debt securities are to be issued in whole or in part in the form of one or more Global Securities and, if so, the identity of the Depositary for such Global Security or Global Securities;
- (12) if other than \$1,000 or an integral multiple thereof, the denominations in which the debt securities shall be issued;
- (13) if other than the principal amount thereof, the portion of the principal amount of the debt securities payable upon declaration of acceleration of the maturity of the debt securities;
- (14) any deletions from or modifications of or additions to the Events of Default set forth in Section 6.01 of the Indenture pertaining to the debt securities;
- (15) the provisions, if any, relating to the cancellation and satisfaction of the Indenture with respect to the debt securities prior to the maturity thereof pursuant to Section 12.02 of the Indenture (see "Satisfaction and Discharge of Indenture; Defeasance");
- (16) the terms, if any, upon which the Company may defer payment of interest on an interest payment date;
- (17) the provisions, if any, relating to the subordination of the debt securities pursuant to Article 14 of the Indenture (see "Subordination");
- (18) the terms and conditions, if any, pursuant to which any debt securities are to be secured;
- (19) any exchangeability, conversion, prepayment or tender provisions (whether at the option of the Company or a holder of debt securities) of the debt securities, including exchangeability, conversion, prepayment or tender date or dates of such series, if any, and the price or prices and other terms and conditions applicable to the exchange, conversion, prepayment or tender (including any premium);
- (20) any additional covenants for the benefit of the holders of the debt securities; and

(21) any other terms of the debt securities not inconsistent with the provisions of the Indenture and not adversely affecting the rights of any other series of Indenture Securities then outstanding. (Section 2.03)

The Company may authorize the issuance and provide for the terms of a series of Indenture Securities by or pursuant to a resolution of its Board of Directors or any duly authorized committee thereof or pursuant to a supplemental indenture. The provisions of the Indenture described above permit the Company, in addition to issuing Indenture Securities with terms different from those of Indenture Securities previously issued, to "reopen" a previous issue of a series of Indenture Securities and to issue additional Indenture Securities of such series.

The Indenture Securities will be issued only in registered form without coupons and, unless otherwise provided with respect to a series of Indenture Securities, in denominations of \$1,000 and integral multiples thereof. (Section 2.02) Indenture Securities of a series may be issued in whole or in part in the form of one or more Global Securities (see "Global Securities"). One or more Global Securities will be issued in a denomination or aggregate denominations equal to the aggregate principal amount of outstanding Indenture Securities of the series to be represented by such Global Security or Global Securities. (Section 2.01) No service charge will be made for any transfer or exchange of Indenture Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. (Section 2.05)

One or more series of the Indenture Securities may be issued with the same or various maturities at par, above par or at a discount. Debt securities bearing no interest or interest at a rate which at the time of issuance is below the market rate ("Original Issue Discount Securities") will be sold at a discount (which may be substantial) below their stated principal amount. Federal income tax consequences and other special considerations applicable to any such Original Issue Discount Securities will be described in the prospectus supplement relating thereto.

**Subordination:** If the prospectus supplement relating to a particular series of Indenture Securities so provides, such debt securities will be Subordinated Securities and the payment of the principal of, premium, if any, and interest on the Subordinated Securities will be subordinate and junior in right of payment to the prior payment in full of all Senior Indebtedness to the extent set forth in the next paragraph. (Section 14.01)

In the event (a) of any distribution of assets of the Company in bankruptcy, reorganization or receivership proceedings, or upon an assignment for the benefit of creditors, or any other marshalling of assets and liabilities of the Company, except for a distribution in connection with a consolidation, merger, sale, transfer or lease permitted under the Indenture (see "Consolidation, Merger and Sale"), or (b) the principal of any Senior Indebtedness shall have been declared due and payable by reason of an event of default with respect thereto and such event of default shall not have been rescinded, then the holders of Subordinated Securities will not be entitled to receive or retain any payment, or distribution of assets of the Company, in respect of the principal of, premium, if any, and interest on the Subordinated Securities until the holders of all Senior Indebtedness receive payment of the full amount due in respect of the principal of, premium, if any, and interest on the Senior Indebtedness or provision for such payment on the Senior Indebtedness shall have been made. (Section 14.02)

Subject to the payment in full of all Senior Indebtedness, the holders of the Subordinated Securities shall be subrogated to the rights of the holders of the Senior Indebtedness to receive payments or distributions applicable to the Senior Indebtedness until all amounts owing on the Subordinated Securities shall be paid in full. (Section 14.03)

"Senior Indebtedness" means all indebtedness of the Company for the repayment of money borrowed (whether or not represented by bonds, debentures, notes or other securities) other than the indebtedness evidenced by the Subordinated Securities and any indebtedness subordinated to, or subordinated on parity with, the Subordinated Securities. "Senior Indebtedness" does not include customer deposits or other amounts securing obligations of others to the Company. (Section 14.01)

The Indenture does not limit the aggregate amount of Senior Indebtedness that the Company may issue. As of September 30, 2000, \$1,076 million of Senior Indebtedness was outstanding in the form of bonds, debentures, notes or other securities, bank borrowings and capital leases.

**Redemption:** If the prospectus supplement relating to a particular series of Indenture Securities so provides, such securities will be subject to redemption by the Company prior to maturity. Notice of any redemption of Indenture Securities shall be given to the registered holders of such securities not less than 30 days nor more than 60 days prior to the date fixed for redemption. If less than all of a series of Indenture Securities are to be redeemed, the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair, the Indenture Securities of such series or portions thereof to be redeemed. (Section 3.02)

**Global Securities:** The Indenture Securities of a series may be issued in whole or in part in the form of one or more Global Securities that will be deposited with, or on behalf of, the Depositary identified in the prospectus supplement relating thereto. Unless and until it is exchanged in whole or in part for Indenture Securities in definitive form, a Global Security may not be transferred except as a whole by the Depositary for such Global Security to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. (Sections 2.01 and 2.05)

The specific terms of the depositary arrangement with respect to any Indenture Securities of a series will be described in the prospectus supplement relating thereto. The Company anticipates that the following provisions will apply to all depositary arrangements.

Upon the issuance of a Global Security, the Depositary for such Global Security will credit, on its book entry registration and transfer system, the respective principal amounts of the Indenture Securities represented by such Global Security to the accounts of institutions that have accounts with such Depositary ("participants"). The accounts to be credited shall be designated by the underwriters through which such Indenture Securities were sold. Ownership of beneficial interests in a Global Security will be limited to participants or persons that may hold interests through participants. Ownership of beneficial interests in such Global Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the Depositary for such Global Security or by participants or persons that hold through

participants. The laws of some states require that certain purchasers of securities take physical delivery of such securities in definitive form. Such limits and such laws may impair the ability to transfer beneficial interests in a Global Security.

So long as the Depositary for a Global Security, or its nominee, is the owner of such Global Security, such Depositary or such nominee, as the case may be, will be considered the sole owner or holder of the Indenture Securities represented by such Global Security for all purposes under the Indenture. Except as set forth below, owners of beneficial interests in a Global Security will not be entitled to have Indenture Securities of the series represented by such Global Security registered in their names, will not receive or be entitled to receive physical delivery of Indenture Securities of such series in definitive form and will not be considered the owners or holders thereof under the Indenture.

Payments of principal of, premium, if any, and interest, if any, on Indenture Securities registered in the name of or held by a Depositary or its nominee will be made to the Depositary or its nominee, as the case may be, as the registered owner of the Global Security representing such Indenture Securities. None of the Company, the Trustee or any paying agent for such Indenture Securities will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in a Global Security for such Indenture Securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

The Company expects that the Depositary for Indenture Securities of a series, upon receipt of any payment of principal, premium, if any, or interest, if any, in respect of a Global Security will credit immediately participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security as shown on the records of such Depositary. The Company also expects that payments by participants to owners of beneficial interests in such Global Security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities registered in "street name," and will be the responsibility of such participants.

If a Depositary for Indenture Securities of a series is at any time unwilling or unable to continue as Depositary and a successor Depositary is not appointed by the Company within 90 days, the Company will issue Indenture Securities of such series in definitive form in exchange for the Global Security or Global Securities representing the Indenture Securities of such series. In addition, the Company may at any time and in its sole discretion determine not to have any Indenture Securities of a series represented by one or more Global Securities and, in such event, will issue Indenture Securities of such series in definitive form in exchange for the Global Security or Global Securities representing such Indenture Securities. Further, if the Company so specifies with respect to the Indenture Securities of a series, each person specified by the Depositary of the Global Security representing Indenture Securities of such series may, on terms acceptable to the Company and the Depositary for such Global Security, receive Indenture Securities of the series in definitive form. In any such instance, each person so specified by the Depositary of the Global Security will be entitled to physical delivery in definitive form of Indenture Securities of the series represented by such Global

Security equal in principal amount to such person's beneficial interest in the Global Security.

**Payments and Paying Agents:** Payment of principal of and premium, if any, on Indenture Securities will be made against surrender of such Indenture Securities at the principal offices of the Trustee. Unless otherwise indicated in the prospectus supplement, payment of any installment of interest on Indenture Securities will be made to the person in whose name such Indenture Security is registered at the close of business on the record date for such interest. Unless otherwise indicated in the prospectus supplement, payments of such interest will be made at the principal offices of the Trustee, or by a check mailed to each holder of an Indenture Security at such holder's registered address.

All moneys paid by the Company to a paying agent for the payment of principal of, premium, if any, or interest, if any, on any Indenture Security that remain unclaimed at the end of two years after such principal, premium or interest shall have become due and payable will be repaid to the Company and the holder of such Indenture Security entitled to receive such payment will thereafter look only to the Company for payment thereof. (Section 12.05) However, any such payment shall be subject to escheat pursuant to state abandoned property laws.

**Consolidation, Merger and Sale:** The Indenture permits the Company, without the consent of the holders of any of the Indenture Securities, to consolidate with or merge into any other corporation or sell, transfer or lease its assets as an entirety or substantially as an entirety to any person, provided that: (i) the successor corporation formed by or surviving any such consolidation or merger, or the person to which such sale, transfer or lease shall have been made (the "Successor") is a corporation organized under the laws of the United States of America or any state thereof; (ii) the Successor assumes the Company's obligations under the Indenture and the Indenture Securities; (iii) immediately after giving effect to the transaction, no Event of Default (see "Default and Certain Rights on Default") and no event that, after notice or lapse of time, or both, would become an Event of Default, shall have occurred and be continuing; and (iv) certain other conditions are met. (Section 11.02) The Indenture does not restrict the merger of another corporation into the Company. The Successor, other than a Successor by reason of a lease of the Company's properties, will succeed to the Company's rights and obligations under the Indenture and the Indenture Securities and the Company will be relieved of its obligations.

These provisions will not, however, be applicable to the sale, transfer or lease by the Company to an affiliated company of facilities used for the generation of electricity (and not used for the transmission or distribution of electric energy), provided that, all such sales, transfers or leases occurring after the date of this Indenture shall not in the aggregate represent assets with a depreciated value on the books of the Company, calculated with respect to the assets sold, transferred or leased at the time of such sale, transfer or lease, in excess of 65% of the depreciated value on the books of the Company of its total assets as set forth in its balance sheet at September 30, 2000.

**Modification of the Indenture:** The Indenture contains provisions permitting the Company and the Trustee, without the consent of the holders of the Indenture Securities, to establish, among other things, the form and terms of any series of Indenture Securities issuable thereunder by one or more supplemental indentures, and,

with the consent of the holders of a majority in aggregate principal amount of the Indenture Securities of any series at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture with respect to Indenture Securities of such series, or modifying in any manner the rights of the holders of the Indenture Securities of such series; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity, or the earlier optional date of maturity, if any, of any Indenture Security of a particular series or reduce the principal amount thereof or the premium thereon, if any, or reduce the rate of payment of interest thereon, or make the principal thereof or premium, if any, or interest thereon payable in any coin or currency other than that provided in the Indenture Security, without the consent of the holder of each Indenture Security so affected, or (ii) reduce the principal amount of Indenture Securities of any series, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all Indenture Securities of such series outstanding thereunder. (Sections 10.01 and 10.02)

**Default and Certain Rights on Default:** The Indenture provides that the Trustee or the holders of 33% or more in aggregate principal amount of Indenture Securities of a series outstanding thereunder may declare the principal of all Indenture Securities of such series to be due and payable immediately, if any Event of Default with respect to such series of Indenture Securities shall occur and be continuing. However, if all defaults with respect to Indenture Securities of such series (other than non-payment of accelerated principal) are cured, the holders of a majority in aggregate principal amount of the Indenture Securities of such series outstanding thereunder may waive the default and rescind the declaration and its consequences. Events of Default with respect to a series of Indenture Securities include (unless specifically deleted in the supplemental indenture or Board Resolution under which such series of Indenture Securities is issued, or modified in any such supplemental indenture):

- (i) failure to pay interest when due on any Indenture Security of such series, continued for 30 days;
- (ii) failure to pay principal or premium, if any, when due on any Indenture Security of such series, continued for 1 business day;
- (iii) failure to perform any other covenant of the Company in the Indenture or the Indenture Securities of such series (other than a covenant included in the Indenture or the Indenture Securities solely for the benefit of series of Indenture Securities other than such series), continued for 60 days after written notice from the Trustee or the holders of 33% or more in aggregate principal amount of the Indenture Securities of such series outstanding thereunder;
- (iv) certain events of bankruptcy, insolvency or reorganization; and
- (v) any other Event of Default as may be specified for such series. (Section 6.01)

The Indenture provides that the holders of a majority in aggregate principal amount of the Indenture Securities of any series outstanding thereunder may, subject to certain exceptions, direct the time, method and place of conducting any proceeding for any remedy available to, or exercising any power or trust conferred upon, the Trustee with

respect to Indenture Securities of such series and may on behalf of all holders of Indenture Securities of such series waive any past default and its consequences with respect to Indenture Securities of such series, except a default in the payment of the principal of or premium, if any, or interest on any of the Indenture Securities of such series. (Section 6.06)

Holders of Indenture Securities of any series may not institute any proceeding to enforce the Indenture unless the Trustee thereunder shall have refused or neglected to act for 60 days after a request and offer of satisfactory indemnity by the holders of 33% or more in aggregate principal amount of the Indenture Securities of such series outstanding thereunder, but the right of any holder of Indenture Securities of any series to enforce payment of principal of or premium, if any, or interest on the holder's Indenture Securities when due shall not be impaired. (Section 6.04)

The Trustee is required to give the holders of Indenture Securities of any series notice of defaults with respect to such series (Events of Default summarized above, exclusive of any grace period and irrespective of any requirement that notice of default be given) known to it within 90 days after the happening thereof, unless cured before the giving of such notice, but, except for defaults in payments of principal of, premium, if any, or interest on the Indenture Securities of such series, the Trustee may withhold notice if and so long as it determines in good faith that the withholding of such notice is in the interests of such holders. (Section 6.07)

The Company is required to deliver to the Trustee each year an Officers' Certificate stating whether such officers have obtained knowledge of any default by the Company in the performance of certain covenants and, if so, specifying the nature thereof. (Section 4.06)

**Concerning the Trustee:** The Indenture provides that the Trustee shall, prior to the occurrence of any Event of Default with respect to the Indenture Securities of any series and after the curing or waiving of all Events of Default with respect to such series which have occurred, perform only such duties as are specifically set forth in the Indenture. During the existence of any Event of Default with respect to the Indenture Securities of any series, the Trustee shall exercise such of the rights and powers vested in it under the Indenture with respect to such series and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. (Section 7.01)

The Trustee may acquire and hold Indenture Securities and, subject to certain conditions, otherwise deal with the Company as if it were not the Trustee under the Indenture. (Section 7.04)

As of September 30, 2000, The Bank of New York, which will be the Trustee under the Indenture, is the trustee for the Company's \$296,500,000 principal amount of currently outstanding medium-term notes issued under Indentures dated February 15, 1992, November 15, 1992, November 1, 1994 and December 1, 1996. The Bank of New York is also a depository for funds and performs other services for, and transacts other banking business with, the Company and its affiliates in the normal course of business.

**Satisfaction and Discharge of Indenture; Defeasance:** The Indenture may be discharged upon payment of the principal of, premium, if any, and interest on all the Indenture Securities and all other sums due under the Indenture. In addition, the

Indenture provides that if, at any time after the date of the Indenture, the Company, if so permitted with respect to Indenture Securities of a particular series, shall deposit with the Trustee, in trust for the benefit of the holders thereof, (i) funds sufficient to pay, or (ii) such amount of obligations issued or guaranteed by the United States of America as will, or will together with the income thereon without consideration of any reinvestment thereof, be sufficient to pay all sums due for principal of, premium, if any, and interest on the Indenture Securities of such series, as they shall become due from time to time, and certain other conditions are met, the Trustee shall cancel and satisfy the Indenture with respect to such series to the extent provided therein. (Sections 12.01 and 12.02) The prospectus supplement describing the Indenture Securities of such series will more fully describe the provisions, if any, relating to such cancellation and satisfaction of the Indenture with respect to such series.

**Reports Furnished Securityholders:** The Company will furnish the holders of Indenture Securities copies of all annual financial reports distributed to its stockholders generally as soon as practicable after the mailing of such material to the stockholders. (Section 4.07)

**Medium-Term Notes:** The debt securities that we offer from time to time may also take the form of medium-term notes. The particular terms of the medium-term notes will be described in the applicable prospectus supplement.

#### **PLAN OF DISTRIBUTION**

The Company will offer the debt securities through one or more underwriters or agents or directly to purchasers. The names of the managing underwriter or underwriters and any other underwriters or any agents, and the terms of the transaction, including compensation of the underwriters, agents and dealers, if any, will be set forth in the prospectus supplement relating to the offering of the debt securities.

Only underwriters or agents named in a prospectus supplement will be deemed to be underwriters or agents in connection with the debt securities described therein. Firms not so named will have no direct or indirect participation in the underwriting of such debt securities, although such a firm may participate in the distribution of such debt securities under circumstances entitling it to a dealer's commission.

It is anticipated that any agreement pertaining to any debt securities will (1) entitle the underwriters or agents to indemnification by the Company against certain civil liabilities under the Securities Act of 1933, as amended, or to contribution for payments the underwriters may be required to make in respect thereof and (2) provide that the obligations of the underwriters or agents will be subject to certain conditions precedent. The underwriters or agents may engage in transactions with, or perform services for, the Company in the ordinary course of business.

In connection with an offering made hereby, the underwriters may purchase and sell the debt securities in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover short positions created by the underwriters in connection with an offering. Stabilizing transactions consist of certain bids or purchases for the purpose of preventing or delaying a decline in the market price of the debt securities, and short positions created by the underwriters involve the sale by the underwriters of a greater aggregate principal amount of debt securities than

they are required to purchase from the Company. The underwriters also may impose a penalty bid, whereby selling concessions allowed to broker-dealers in respect of the debt securities sold in the offering may be reclaimed by the underwriters if such debt securities are repurchased by the underwriters in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the debt securities, which may be higher than the price that might otherwise prevail in the open market; and these activities, if commenced, may be discontinued at any time. These transactions may be affected in the over-the-counter market or otherwise.

The anticipated date of delivery of the debt securities will be as set forth in the prospectus supplement relating to the offering of the debt securities.

### **LEGAL MATTERS**

Legal matters with respect to the debt securities offered hereby will be passed upon for the Company by Jeanie Sell Latz, Senior Vice President-Corporate Services and Corporate Secretary, and for the Underwriters by Dewey Ballantine LLP, 1301 Avenue of the Americas, New York, New York 10019-6092. **ARTICLE TWO**

**Issue, Description, Execution, Exchange and  
Registration of Transfer of Securities**

SECTION 2.01. Authentication, Delivery and Dating. At any time and from time to time after the execution and delivery of this instrument, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication. The Trustee shall thereupon authenticate and deliver such Securities upon receipt of, and pursuant to, a Company Order, without any further action by the Company. In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 7.01) shall be fully protected in relying upon:

- (a) a Board Resolution relating thereto and, if applicable, an appropriate record of any action taken pursuant to such resolution, certified by the Secretary or an Assistant Secretary of the Company;
- (b) an executed supplemental indenture, if any, or Company Order;
- (c) an Officers' Certificate, dated the date such Officers' Certificate is delivered to the Trustee, prepared in accordance with Section 15.06; and
- (d) an Opinion of Counsel prepared in accordance with Section 15.06, which shall also state:
  - (1) that the form and terms of such Securities have been established by or pursuant to one or more Board Resolutions, by a supplemental indenture as permitted by Section 10.01(e) or Company Order, or by both such resolution or resolutions and such supplemental indenture or Company Order, in conformity with the provisions of this Indenture;

(2) that the supplemental indenture, if any, when executed and delivered by the Company and the Trustee, will constitute a valid and legally binding obligation of the Company; and

(3) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles.

The Trustee shall have the right to decline to authenticate and deliver any Securities under this Section if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

If the Company shall establish pursuant to Section 2.03 that the Securities of a series are to be issued in whole or in part in the form of one or more Global Securities, then the Company shall execute and the Trustee upon receipt of, and pursuant to, a Company Order, shall, in accordance with this Section, authenticate and deliver one or more Global Securities that (i) shall represent and shall be denominated in an amount equal to the aggregate principal amount of the Outstanding Securities of such series to be represented by one or more Global Securities, (ii) shall be registered in the name of the Depositary for such Global Security or Global Securities or the nominee of such Depositary, and (iii) shall be delivered by the Trustee to such Depositary or pursuant to such Depositary's instruction.

Each Depositary designated pursuant to Section 2.03 for a Global Security must, at the time of its designation and at all times while it serves as Depositary, be a clearing agency registered under the Securities Exchange Act of 1934, as amended, and any other applicable statute or regulation.

Each Security shall be dated the date of its authentication.

Notwithstanding the provisions of this Section and Section 2.03, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Officers' Certificate otherwise required pursuant to Section 2.03 or the Company Order, Board Resolution, Officers' Certificate and Opinion of Counsel otherwise required pursuant to this Section at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued. After any such first delivery, any separate written request by the Company that the Trustee authenticate Securities of such series for original issue will be deemed to be a certificate by the Company that all conditions precedent provided for in this Indenture relating to the authentication and delivery of such Securities continue to have been complied with.

**SECTION 2.02. Forms Generally.** The Securities of each series shall be issuable in registered form without coupons and shall be in substantially the form as shall be established by or pursuant to one or more Board Resolutions or in one or more indentures supplemental hereto, in each case with such appropriate insertions, omissions, substitutions and

other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification or designation and such legends or endorsements printed, lithographed or engraved thereon as the officers of the Company executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of this Indenture, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange on which the Securities may be listed, or to conform to usage. The Securities shall be issued, except as otherwise provided with respect to any series of Securities pursuant to Section 2.03, in the denomination of \$1,000 and any larger denomination which is an integral multiple of \$1,000 approved by the Company, such approval to be evidenced by the execution thereof.

The person in whose name any Security is registered at the close of business on any record date with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date, notwithstanding the cancellation of such Security upon any transfer or exchange subsequent to such record date and prior to such interest payment date, unless such Security is redeemed on a date fixed for redemption after such record date and prior to such interest payment date; provided, however, that if and to the extent the Company shall fail to pay on any interest payment date the interest due on such date, such defaulted interest shall be paid to the persons in whose names outstanding Securities are registered at the close of business on the tenth day preceding the date of payment of such defaulted interest or, at the election of the Company, to the persons in whose names outstanding Securities are registered on a subsequent record date established by notice given by mail by or on behalf of the Company to the holders of such Securities not less than 10 days preceding such subsequent record date, which subsequent record date shall precede by at least 10 days the date of payment of such defaulted interest. Such notice shall be given to the persons in whose names such outstanding Securities are registered at the close of business on the fifth Business Day next preceding the date of the mailing of such notice.

Except as otherwise provided with respect to any series of Securities pursuant to Section 2.03, interest on the Securities of each series shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

The definitive Securities shall be printed, lithographed or engraved or produced by any combination of these methods on a steel engraved border or steel engraved borders or may be produced in any other manner, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

The Trustee's certificate of authentication on all Securities shall be in substantially the following form:

This is one of the Securities of the series designated herein issued under the Indenture described herein.

- (e) if the amount of payments of the principal of, premium, if any, or interest, if any, on the Securities of the series may be determined with reference to an index, formula, or other method, the manner in which such amounts shall be determined;
- (f) the place or places where the principal of, premium, if any, and interest on Securities of the series shall be payable;
- (g) the price or prices at which, the period or periods within which and the terms and conditions upon which Securities of the series may be redeemed, in whole or in part, at the option of the Company;
- (h) the obligation, if any, of the Company to redeem, purchase or repay Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a holder thereof and the price or prices at which, the period or periods within which and the terms and conditions upon which Securities of the series shall be redeemed, purchased or repaid, in whole or in part, pursuant to such obligation;

(l) if the provisions of Section 12.02 are to apply to the Securities of the series, a statement indicating the same;

(o) if the Securities of such series are to be deposited as trust assets in a trust, the name of the applicable trust into which the Securities of such series are to be deposited;

(p) any exchangeability, conversion, prepayment or tender provisions (whether at the option of the Company or a holder of Securities) of the Securities, including exchangeability, conversion, prepayment or tender date or dates of such series, if any, and the price or prices and other terms and conditions applicable to the exchange, conversion, prepayment or tender (including any premium);

(q) any restriction or condition on the transferability of a series of Securities;

(s) any other terms of the Securities of the series, including additional covenants of the Company and specific modifications, additions or deletions in the Events of Default applicable to the series from those set forth in Section 6.01 (which terms shall not be inconsistent with the provisions of this Indenture or adversely affect the rights of the holders of any other series of Securities then outstanding).

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided by or pursuant to any such Board Resolution, and set forth in such Officers' Certificate, or in any such indenture supplemental hereto.

SECTION 2.04. Execution. The Securities shall be signed on behalf of the Company by the Chairman or President or any Vice President and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of the Company, under its corporate seal. Such signatures may be manual or facsimile signatures of the present or any future such authorized officers and may be imprinted or otherwise reproduced on the Securities. The seal of the Company may be in the form of a facsimile thereof and may be impressed, affixed, imprinted or otherwise reproduced on the Securities.

Only such Securities as shall bear thereon a certificate of authentication substantially in the form hereinbefore recited, executed by the Trustee, shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee upon any Security executed by the Company shall be conclusive evidence that the Security so authenticated has been duly authenticated and delivered hereunder.

In case any officer of the Company who shall have signed any of the Securities either manually or by facsimile signature shall cease to be such officer before the Securities so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Company, such Securities nevertheless may be authenticated and delivered or disposed of as though the person who signed such Securities had not ceased to be such officer of the Company; and any Security may be signed on behalf of the Company by such person as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such officer.

SECTION 2.05. Exchange, Registration and Registration of Transfer. The Company shall keep, at the office or agency to be maintained by the Company in accordance with Section 4.02, a register or registers (herein sometimes referred to collectively as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of each series of the Securities and for the registration of transfers of Securities of each series as in this Article provided. The Security Register shall be in written form or convertible into written form without unreasonable delay, and shall be open for inspection by the Trustee at all reasonable times. Subject to the provisions of the last paragraph of this Section 2.05, upon surrender for registration of transfer of any Security of any series at the office or agency maintained in accordance with Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series and of like tenor, or any authorized denominations and of a like aggregate principal amount and maturity.

At the option of the holder thereof, Securities of any series (except a Global Security) may be exchanged for other Securities of the same series and of like tenor, of any authorized denominations and of a like aggregate principal amount and maturity, upon surrender of the Securities to be exchanged at the office or agency maintained in accordance with Section 4.02. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the holder making the exchange is entitled to receive.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for Securities in definitive form, a Global Security representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depositary for such series to a nominee of such Depositary or by a nominee of such Depositary

to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

If at any time the Depositary for the Securities of a series notifies the Company that it is unwilling or unable to continue as Depositary for the Securities of such series or if at any time the Depositary for the Securities of such series shall no longer be eligible under Section 2.01, the Company shall appoint a successor Depositary with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, the Company's election pursuant to Section 2.03(i) shall no longer be effective with respect to the Securities of such series and the Company will execute, and the Trustee, upon receipt of, and pursuant to a Company Order will authenticate and deliver Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Global Securities representing such series in exchange for such Global Security or Global Securities.

The Company may at any time in its sole discretion determine that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Global Securities. In such event the Company will execute, and the Trustee, upon receipt of, and pursuant to, a Company Order will authenticate and deliver Securities of such series in definitive form and in aggregate principal amount equal to the principal amount of the Global Security or Global Securities representing such series in exchange for such Global Security or Global Securities.

If specified by the Company pursuant to Section 2.03 with respect to a series of Securities, the Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for Securities of such series in definitive form on such terms as are acceptable to the Company and such Depositary. Thereupon, the Company shall execute, and the Trustee shall authenticate and deliver, without service charge,

(i) to each person specified by such Depositary a new Security or Securities of the same series, in definitive form, of any authorized denomination as requested by such person in aggregate principal amount equal to and in exchange for such person's beneficial interest in the Global Security; and

(ii) to such Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of Securities delivered to holders thereof pursuant to the immediately preceding clause (i) of this Section.

Upon exchange of a Global Security for Securities in definitive form, such Global Security shall be cancelled by the Trustee. Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Security shall instruct the Trustee. The Trustee shall deliver such Securities to the persons in whose names such Securities are so registered.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration or transfer or exchange.

All Securities presented or surrendered for registration of transfer, exchange or payment shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer, in form satisfactory to the Company and the Trustee, duly executed by the registered holder or by his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto.

The Company shall not be required (a) to issue, register the transfer of or exchange Securities of any series for a period of 15 days next preceding any selection of Securities of such series to be redeemed, or (b) to register the transfer of or exchange any Security or portion thereof called or selected for redemption.

SECTION 2.06. Temporary Securities. Pending the preparation of definitive Securities of any series, the Company may execute and the Trustee shall authenticate and deliver temporary Securities of such series (printed, lithographed or typewritten) of any authorized denomination, and substantially in the form of the definitive Securities of such series, but with such omission, insertions and variations as may be appropriate for temporary Securities, all as may be determined by the Company. Temporary Securities may be issued without a recital of specific redemption prices and may contain such reference to any provisions of this Indenture as may be appropriate. Every temporary Security shall be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities of such series. Without unnecessary delay the Company will execute and will furnish definitive Securities of each series and thereupon any or all temporary Securities of such series may be surrendered in exchange therefor, at the principal office of the Company, and, subject to Section 2.05 hereof, the Company shall execute and the Trustee shall authenticate and deliver in exchange for such temporary Securities an equal aggregate principal amount of definitive Securities of such series of authorized denominations. Until so exchanged, the temporary Securities shall be entitled to the same benefits under this Indenture, and shall be subject to the same provisions hereof (except as provided in this Section), as definitive Securities of such series authenticated and delivered hereunder.

SECTION 2.07. Mutilated, Destroyed, Lost and Stolen Securities. In case any temporary or definitive Security shall become mutilated or be destroyed, lost or stolen, the Company in the case of a mutilated Security shall, and in the case of a destroyed, lost or stolen Security in its discretion may, execute, and upon the Company's request the Trustee shall authenticate and deliver, a new Security of the same series and bearing a number not contemporaneously outstanding, in exchange and in substitution for the mutilated Security, or in lieu of and in substitution for the Security so destroyed, lost or stolen. The applicant for a substitute Security shall first furnish to the Company and to the Trustee such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss or theft, the applicant shall also first furnish to the Company and to the Trustee

evidence to their satisfaction of the destruction, loss or theft of such Security and of the ownership thereof. The Trustee may authenticate any such substitute Security and deliver the same upon the written request or authorization of the Company. Upon the issue of any substitute Security, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. If any Security that has become, or is about to become, due and payable is mutilated, or is destroyed, lost or stolen, the Company may, instead of issuing a substitute Security, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Security) if the applicant for such payment shall furnish to the Company and to the Trustee such security or indemnity as they may require to save each of them harmless, and, in case of destruction, loss or theft, evidence to the satisfaction of the Company and the Trustee of the destruction, loss or theft of such Security and of the ownership thereof.

Every substitute Security issued pursuant to this Section shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series duly issued hereunder. All Securities shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**SECTION 2.08. Cancellation of Surrendered Securities; Destruction Thereof.**  
All Securities surrendered for the purpose of payment, redemption, exchange or registration of transfer or for credit against any sinking fund payment, shall, if surrendered to the Company or any paying agent, promptly be delivered to the Trustee for cancellation, or, if surrendered to the Trustee, shall be cancelled by it, and no Securities shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. Upon the request of the Company, the Trustee shall deliver to the Company cancelled Securities held by the Trustee, or, in the absence of such request, the Trustee may destroy the same and deliver a certificate of such destruction to the Company. If the Company shall acquire any of the Securities, however, such acquisition shall not operate as a satisfaction of the indebtedness represented by such Securities unless and until the same are surrendered to the Trustee for cancellation.

**SECTION 2.09. Extension of Interest Payment Period.** With respect to Securities of any series as to which, pursuant to Section 2.03(m), it has been established that this Section 2.09 applies, subject to such terms as may be established pursuant to Section 2.03(m), the Company may at any time and from time to time, so long as no Event of Default shall have occurred and be continuing with respect to the Securities of any series hereunder, elect to extend interest payment periods or defer the payment of interest on an interest payment date, and such election shall not be an Event of Default with respect to the Securities of any series.

## ARTICLE THREE

### Redemption of Securities and Sinking Funds

SECTION 3.01. Applicability of Right of Redemption. Redemption of Securities (other than pursuant to a sinking fund or analogous provision) permitted by the terms of any series of Securities shall be made in accordance with such terms and Sections 3.02 and 3.03; provided, however, that if any such terms of a series of Securities shall conflict with any provision of this Article, the terms of such series shall govern.

SECTION 3.02. Election to Redeem; Notice of Redemption; Partial Redemption. The election of the Company to redeem any Securities of any series shall be authorized by a Board Resolution and evidenced by an Officers' Certificate. In case the Company shall desire to exercise such right to redeem all, or, as the case may be, any part of the Securities of any series in accordance with the right reserved so to do, it shall give notice of such redemption to holders of the Securities to be redeemed as hereinafter in this Section provided.

Notice of redemption to the holders of Securities to be redeemed as a whole or in part shall be given by mailing of a notice of such redemption not less than 30 nor more than 60 days prior to the date fixed for redemption to the registered holders of Securities to be redeemed in whole or in part at their last addresses as they shall appear upon the Security Register. Such mailing shall be by first-class mail postage prepaid. The notice if mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the registered holder receives the notice. In any case, the failure to give such notice by mail, or any defect in such notice, to the registered holder of any Security designated for redemption in whole or in part shall not affect the validity of the proceedings for redemption of any other Security.

Each such notice of redemption shall specify the date fixed for redemption and the price at which Securities are to be redeemed, shall state that the conditions precedent to such redemption, if any, have occurred and describe the same, and shall state that payment of the redemption price of the Securities to be redeemed, together with accrued interest thereon to the date fixed for redemption (except that if such redemption date is an interest payment date, the interest due on such date with respect to a particular Security shall be payable to the holder of such Security on the record date for such interest payment date), will be made at the office or agency to be maintained by the Company in accordance with Section 4.02 upon presentation and surrender of such Securities and that from and after said date interest thereon will cease to accrue. If less than all the Securities of a series are to be redeemed, the notice to each registered holder of Securities to be redeemed shall identify such registered holder's Securities to be redeemed as a whole or in part. In case any Security is to be redeemed in part only, the notice which relates to such Securities shall state the portion of the principal amount to be redeemed, and that on and after the redemption date, upon surrender of such Security, a new Security or Securities of the same series in principal amount equal to the unredeemed portion thereof will be issued.

To the extent that the Securities of any series have different terms, the Company shall designate the Securities to be redeemed if less than all of the series is to be redeemed. If less than all the Securities of a series having the same terms are to be redeemed, the Company shall give the Trustee, not less than 45 days (or such lesser number of days as the Trustee shall

approve) prior to the date fixed by the Company for the redemption of Securities, written notice of the aggregate amount of the Securities to be redeemed, and thereupon the Trustee shall select, in such manner as in its sole discretion it shall deem appropriate and fair, the Securities of such series or portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) thereof to be redeemed, and shall thereafter promptly notify the Company and any paying agent in writing of the Securities of such series of portions thereof to be redeemed.

Any notice of redemption to be mailed by the Company pursuant to this Section shall be prepared by the Company and mailed, at the Company's direction, by the Trustee in the name and at the expense of the Company.

**SECTION 3.03. Payment of Securities Called for Redemption.** If notice of redemption shall have been given in the manner provided in Section 3.02, the Securities or portions of Securities specified in such notice shall become due and payable on the date and at the place stated in such notice at the applicable redemption price, together with interest accrued thereon to the date fixed for redemption (except that if such redemption date is an interest payment date the interest due on such date shall be payable to the holder of such Security on the record date for such interest payment date), and on and after such date of redemption (unless the Company shall default in the payment of such Securities or portions thereof at the redemption price, together with interest accrued thereon to the date fixed for redemption) interest on the Securities or portions of Securities so called for redemption shall cease to accrue, and such Securities and portions of Securities shall be deemed not to be outstanding hereunder and shall not be entitled to any benefit under this Indenture except to receive payment of the redemption price, together with accrued interest thereon to the date fixed for redemption. On presentation and surrender of such Securities on or after said date at said place of payment in said notice specified, the said Securities or specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together (subject to the right of the holder on the record date if such redemption date is an interest payment date) with interest accrued thereon to the date fixed for redemption.

Upon presentation and surrender of any Security which is to be redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the holder thereof, at the expense of the Company, a new Security or Securities of the same series of authorized denominations in principal amount equal to the unredeemed portion of the Security so surrendered.

**SECTION 3.04. Applicability of Sinking Fund.** Redemption of Securities permitted or required pursuant to a sinking fund for the retirement of Securities of a series by the terms of such series of Securities shall be made in accordance with such terms of such series of Securities and this Article; provided, however, that if any such terms of a series of Securities shall conflict with any provision of this Article, the terms of such series shall govern.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any mandatory sinking fund payment may be subject to reduction as provided in Section 3.05.

**SECTION 3.05. Satisfaction of Mandatory Sinking Fund Payments with Securities.** Subject to Section 3.06, in lieu of making all or any part of any mandatory sinking fund payment with respect to any Securities of a series in cash, the Company may at its option (a) deliver to the Trustee Securities of that series theretofore purchased or otherwise acquired by the Company, or (b) receive credit for the principal amount of Securities of that series which have been previously delivered to the Trustee by the Company or redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the redemption price specified in such Securities for redemption through operation of the sinking fund and the cash amount of such mandatory sinking fund payment shall be reduced accordingly.

**SECTION 3.06. Redemption of Securities for Sinking Funds.** Not less than 60 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee a Company Order specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied through delivery and/or crediting of Securities of that series pursuant to Section 3.05 (which Securities will, if not previously delivered, accompany such Company Order) and whether the Company intends to exercise its right to make a permitted optional sinking fund payment with respect to such series. Such Company Order shall be irrevocable, and upon its delivery the Company shall be obligated to make the cash payment or payments therein referred to, if any, prior to such sinking fund payment date. In the case of the failure of the Company to deliver such Company Order, the sinking fund payment due with respect to the next sinking fund payment date for that series of Securities shall be paid entirely in cash and shall be sufficient to redeem the principal amount of such Securities subject to a mandatory sinking fund payment without the option to deliver or credit Securities as provided in Section 3.05 and without the right to make any optional sinking fund payment with respect to such series.

Any sinking fund payment or payments (mandatory or optional) made in cash, plus any unused balance of any preceding sinking fund payments made in cash, which shall equal or exceed \$100,000 (or a lesser sum if the Company shall so request) with respect to the Securities of any particular series shall be applied by the Trustee, a paying agent or the Company, if it acts as its own paying agent, on the sinking fund payment date next following the date of such payment to the redemption of such Securities at the redemption price specified in such Securities for operation of the sinking fund, together with accrued interest to the sinking fund payment date. Any sinking fund moneys not so applied or allocated to the redemption of Securities shall be added to the next cash sinking fund payment received by the Trustee, such paying agent or the Company for such series and, together with such payment, shall be applied in accordance with the provisions of this Section. Any and all sinking fund moneys with respect to the Securities of any particular series held by the Trustee, such paying agent or the Company on the last sinking fund payment date with respect to Securities of such series and not held for the payment or redemption of particular Securities shall be applied by the Trustee, such paying agent or the Company, together with other moneys, if necessary, to be deposited sufficient for the purpose, to the payment of principal of such Securities at maturity.

Not more than 60 days and not less than 45 days prior to each sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in accordance with Section 3.02. The Company shall cause notice of the redemption thereof to be given not less than 30 nor more than 60 days prior to the sinking fund payment date in the manner provided in Section 3.02, except that the notice of redemption shall also state that the Securities of such series are being redeemed by operation of the sinking fund and the sinking fund payment date. Such notice having been duly given, the redemption of such Securities shall be made on the sinking fund payment date upon the terms and in the manner stated in Section 3.03.

## **ARTICLE FOUR**

### **Particular Covenants of the Company**

**SECTION 4.01. Payment of Principal, Premium, if any, and Interest.** The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay or cause to be paid the principal of and premium, if any, and interest, if any, on each of the Securities of that series at the times and places and in the manner provided herein and in the Securities of that series.

**SECTION 4.02. Office or Agency for Certain Purposes.** The Company will maintain an office or agency (or offices or agencies) where the Securities may be presented for registration of transfer and exchange as in this Indenture provided, and where notices and demands to or upon the Company in respect of the Securities or of this Indenture may be served and where the Securities may be presented for payment. The principal office of the Company shall be such office or agency unless the Company shall maintain some other office or agency for such purposes and shall give the Trustee and the registered holders of the Securities written notice of the location thereof.

**SECTION 4.03. Maintenance of Corporate Existence.** The Company will preserve its corporate existence, but this covenant shall not require the Company to continue its corporate existence in the event of a consolidation or merger of the Company in accordance with the provisions of Article Eleven hereof as a result of which the Company shall lose its corporate identity, or in the event of a sale or conveyance of the property of the Company as an entirety or substantially as an entirety in accordance with the provisions of said Article Eleven.

**SECTION 4.04. Appointments to Fill Vacancies in Trustee's Office.** The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.09, a Trustee, so that there shall at all times be a Trustee hereunder.

**SECTION 4.05. Provisions as to Paying Agent.** (a) If the Company shall act as its own paying agent with respect to any series of Securities, it will, on or before each due date of the principal of or premium, if any, or interest, if any, on the Securities of that series, set aside, segregate and hold in trust for the benefit of the holders of such Securities or of the Trustee, as the case may be, a sum sufficient to pay such principal or premium, if any, or interest so becoming due and will notify the Trustee of any failure to take such action and of any failure by

the Company (or by any other obligor on the Securities of that series) to make any payment of the principal of or premium, if any, or interest on the Securities of such series when the same shall be due and payable.

(b) Whenever the Company shall have one or more paying agents, other than the Company, for any series of Securities, it will, on or before each due date of the principal of or premium, if any, or interest, if any, on any Securities of that series, deposit with a paying agent a sum sufficient to pay the principal and premium, if any, or interest so becoming due, such sum to be held in trust for the benefit of the holders of such Securities, and (unless such paying agent is the Trustee) the Company will notify the Trustee of such action or the failure to take such action.

(c) If the Company shall appoint a paying agent other than the Trustee or the Company with respect to any series of Securities, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to this Section that such agent will:

(1) hold all sums held by it as such agent for the payment of the principal of or premium, if any, or interest on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the holders of the Securities of such series or of the Trustee, as the case may be;

(2) give the Trustee notice of any default by the Company (or by any other obligor on the Securities of such series) in the making of any payment of the principal of or premium, if any, or interest on the Securities of such series when the same shall be due and payable; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(d) Anything in this Section to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by it, or by any paying agent hereunder, as required by this Section, such sums to be held by the Trustee upon the trusts herein contained.

(e) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to Sections 12.04 and 12.05.

**SECTION 4.06. Annual Officers' Certificate to Trustee.** The Company will deliver to the Trustee prior to November 1 in each year, an Officers' Certificate stating that in the course of the performance by the signers of their duties as officers of the Company they would normally obtain knowledge of any default by the Company in the performance of any covenants contained in Sections 4.03 and 11.02, stating whether or not they have obtained knowledge of any such default and, if so, specifying each such default of which the signers have knowledge and the nature thereof.

SECTION 4.07. Reports to Be Furnished Securityholders. The Company will transmit or cause to be transmitted to the Securityholders, as soon as practicable after the mailing of such material to its stockholders, copies of all annual financial reports distributed to its stockholders generally. Reports pursuant to this Section shall be transmitted by mail to all registered holders of Securities, as the names and addresses of such holders appear upon the Security Register.

SECTION 4.08. Further Assurances. From time to time whenever reasonably demanded by the Trustee, the Company will make, execute and deliver or cause to be made, executed and delivered any and all such further and other instruments and assurances as may be reasonably necessary or proper to carry out the intention or facilitate the performance of the terms of this Indenture.

## ARTICLE FIVE

### **Securityholders' Lists, Communications to Securityholders, and Reports by the Company and the Trustee**

SECTION 5.01. Company to Furnish Trustee Information as to Names and Addresses of Securityholders. The Company shall furnish or cause to be furnished to the Trustee:

(a) on June 15 and December 15 in each year (beginning with June 15, 2001), a list in such form as the Trustee may reasonably require of the names and addresses of the holders of each series of Securities as of a date not more than 15 days prior to the time such list is furnished, and

(b) at such other times as the Trustee may request in writing within 30 days after receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished, provided that, if and so long as the Trustee is the sole Security registrar, no such list need be furnished.

SECTION 5.02. Preservation of Information; Communications to Securityholders. (a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of the holders of each series of Securities received by it in the capacity of Security registrar and the names and addresses of holders of each series of Securities contained in the most recent list furnished to it under Section 5.01. The Trustee may destroy any such list upon receipt of a new list so furnished.

(b) The rights of Securityholders to communicate with other Securityholders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and privileges of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Each and every holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any paying agent or other agent of either of them shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the holders of Securities made pursuant to the Trust Indenture Act, regardless of the source from which such information

was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made pursuant to the Trust Indenture Act.

**SECTION 5.03. Reports by Company.** The Company shall file with the Trustee and the Securities and Exchange Commission, and transmit to Securityholders, such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant to such Act; *provided* that any such information, documents or reports required to be filed with said Commission pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended, shall be filed with the Trustee within 15 days after the same is so required to be filed with said Commission. Delivery of any information, documents and reports by the Company to the Trustee pursuant to the provisions of this Section 5.03 is for informational purposes only and the Trustee's receipt of same shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

**SECTION 5.04. Reports by Trustee.** (a) The Trustee shall transmit to Securityholders such reports concerning the Trustee and its actions under this Indenture as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant thereto. If required by Section 313(a) of the Trust Indenture Act, the Trustee shall, within sixty days after each October 15 following the execution and delivery of this instrument deliver to Securityholders a brief report, dated as of such October 15, which complies with the provisions of such Section 313(a).

(b) The Trustee shall transmit the reports required by Section 313(b) of the Trust Indenture Act in accordance with Section 313(c) of the Trust Indenture Act.

(c) A copy of each such report shall, at the time of such transmission to Securityholders, be filed by the Trustee with each stock exchange upon which any Securities are listed and also with the Securities and Exchange Commission. If the Company lists the Securities of any series on any stock exchange, it will promptly so notify the Trustee.

## **ARTICLE SIX**

### **Remedies of the Trustee and Securityholders on Event of Default**

**SECTION 6.01. Events of Default Defined; Acceleration of Maturity; Waiver of Default.** In case one or more of the following shall have occurred and be continuing with respect to the Securities of any series, it shall be an event of default of such series (unless it is specifically deleted in a supplemental indenture or Board Resolution under which such series of Securities is issued or has been modified in any such supplemental indenture), that is to say:

(a) default in the payment of any installment of interest upon any Security of such series as and when the same shall become due and payable, and continuance of such default for a period of 30 days, provided, however, that a valid extension of the interest

payment period or deferral of interest payment by the Company as contemplated in Section 2.09 shall not constitute a failure to pay interest for this purpose; or

(b) default in the payment of the principal of or premium, if any, on any Security of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise, and continuance of such default for a period of one Business Day; or

(c) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company contained in the Securities of such series or in this Indenture (other than a covenant or agreement which has been expressly included in the Securities or in this Indenture solely for the benefit of a series of Securities other than that series) for a period of 60 days after the date on which written notice of such failure, requiring the Company to remedy the same and stating that such notice is a "Notice of Default" hereunder, shall have been given to the Company by the Trustee, or to the Company and the Trustee by the holders of a least 33% in aggregate principal amount of the Securities of such series at the time outstanding; or

(d) if a decree or order for relief shall be entered by a court of competent jurisdiction in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or other similar law nor or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or of a major part of its property, or ordering the winding up or liquidation of the Company's affairs, and such decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(e) if the Company shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law nor or hereafter in effect, or the Company shall consent to the entry by order of a court of competent jurisdiction of a decree or order in respect of the Company in an involuntary case or proceeding under any applicable bankruptcy, insolvency or other similar law nor or hereafter in effect or to the commencement of any bankruptcy or insolvency proceeding against the Company; or

(f) if the Company shall make an assignment for the benefit of its creditors, or shall admit in writing its inability to pay its debts generally as they become due, or shall consent to the appointment of a receiver or liquidator or trustee or assignee in bankruptcy or insolvency of it or of a major part of its property; or

(g) the occurrence of any other Event of Default with respect to Securities of such series as provided in a supplemental indenture applicable to such series of Securities pursuant to Section 10.01(d);

then and in each and every such case, unless the principal of the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than 33% in aggregate principal amount of the Securities of such series then outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Securityholders), may declare the principal of all the Securities of such series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding.

Payment of principal and interest on such Securities shall remain subordinated to the extent provided in Article Fourteen, notwithstanding that such amount shall become immediately due and payable as herein provided. This provision, however, is subject to the condition that if, at any time after the principal of the Securities of such series shall have been so declared due and payable, and before any sale of property under any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all the Securities of such series and the principal of and premium, if any, on any and all Securities of such series which shall have become due otherwise than by declaration (with interest on overdue installments of interest, to the extent legally enforceable under applicable law, and on such principal of and premium, if any, on each Security of such series at the rate borne by such Security to the date of such payment or deposit) and all amounts then due and payable to the Trustee hereunder, including the reasonable compensation of the Trustee, its agents, attorneys and counsel, and any and all defaults under this Indenture, other than the nonpayment of principal on Securities of such series which shall have become due by declaration, shall have been remedied -- then, and in every such case the holders of a majority in aggregate principal amount of the Securities of such series then outstanding, by written notice to the Company and to the Trustee, may on behalf of the holders of all of the Securities of such series waive all defaults and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default, or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture for the holders of Securities of any series and such proceedings shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Trustee and the holders of the Securities of such series shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the holders of the Securities of such series shall continue as though no such proceedings had been taken.

The Company and the Trustee may, to the extent provided in Section 10.01, enter into one or more indentures supplemental hereto with respect to any series of the Securities which may provide for additional, different or fewer Events of Default with respect to such series of Securities.

**SECTION 6.02. Collection of Indebtedness by Trustee; Trustee May Prove Debt.** The Company covenants that (1) in case default shall be made in the payment of any installment of interest on any of the Securities, as and when the same shall become due and payable, and such default shall have continued for a period of 30 days, or (2) in case default shall be made in the payment of the principal of or premium, if any, on any of the Securities when and as the same shall have become due and payable, whether upon maturity of the Securities or upon redemption or upon declaration or otherwise -- then, upon demand of the Trustee, the Company will pay to the Trustee, for the benefit of holders of such Securities, the whole amount that then shall have become due and payable on such Securities for principal and premium, if any, and interest, with interest upon the overdue principal and premium, if any, of each such Security and (to the extent legally enforceable under applicable law) upon installments of interest, at the rate borne by such Security; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation of the Trustee,

its agents, attorneys and counsel, and any expenses or liabilities incurred by the Trustee hereunder other than through its own negligence or bad faith.

In case the Company shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity against the Company or other obligor on such Securities for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company or such other obligor upon such Securities and collect in the manner provided by law out of the property of the Company or such other obligor upon such Securities, wherever situated, the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Securities of any series under Title 11 of the United States Code or any other applicable Federal or state bankruptcy, insolvency or other similar law relative to the Company or such other obligor, its creditors or its property, or in case a receiver or trustee shall have been appointed for its property or in case of any other judicial proceedings relative to the Company or other obligor upon the Securities of any series, its creditors or its property, the Trustee, irrespective of whether the principal of the Securities of any series shall then be due and payable as therein expressed, upon redemption or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal, premium, if any, and interest owing and unpaid in respect of the Securities of any series, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of the Securityholders of any series allowed in any judicial proceeding relative to the Company or other obligor upon the Securities of any series, its creditors, or its property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute the same after the deduction of its charges and expenses; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the Securityholders to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to the Securityholders, to pay to the Trustee any amount due it for compensation and expenses, including counsel fees incurred by it up to the date of such distribution.

All rights of action and of asserting claims under this Indenture, or under any of the Securities of any series, may be enforced by the Trustee without the possession of any of the Securities of such series, or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Securities of such series. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the holders of the Securities of a series, and it shall not be necessary to make any holders of the Securities of such series parties to any such proceedings.

In case of an Event of Default hereunder with respect to Securities of a particular series, the Trustee may, but unless first requested so to do by the holders of at least a majority in aggregate principal amount of the Securities of such series at the time outstanding and furnished

with reasonable indemnity against all costs, expenses and liabilities shall not (subject to the provisions of Section 7.01) be under any obligation to, proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceedings in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of the holder of any Security any plan of reorganization, arrangement, adjustment or composition affecting the Securities of any series or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any holder of any Security in any such proceeding.

SECTION 6.03. Application of Proceeds. Any moneys collected by the Trustee with respect to a series of Securities pursuant to Section 6.02 shall be applied in the order following, at the date or dates fixed by the Trustee for the distribution of such moneys:

FIRST: To the payment of all costs and expenses in connection with the collection of such moneys, and all amounts payable to the Trustee under Section 7.06;

SECOND: To the payment of all Senior Indebtedness of the Company if and to the extent required by Article Fourteen;

THIRD: To the payment of the entire amounts then due and unpaid upon the Securities in respect of which or for the benefit of which such moneys shall have been collected, without any preference or priority, ratably according to the amounts due and payable upon such Securities upon presentation of the several Securities and notation of such payment thereon, if partly paid, and upon surrender thereof, if fully paid;

FOURTH: To the Company.

SECTION 6.04. Limitations on Suits by Securityholders. No holder of any Security of any series shall have any right by virtue or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder previously shall have given to the Trustee written notice of default and of the continuance thereof with respect to the Securities of that series, and unless also the holders of not less than 33% in aggregate principal amount of the Securities of that series then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 60 days after its receipt of such notice, request and offer of indemnity, shall have failed to institute any such action, suit or proceeding and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.06, it being understood and intended, and being expressly covenanted by the holder of every Security of such series with every other holder of Securities of such series and the Trustee, that no one or more holders of Securities of such series shall have any right in any manner whatever

by virtue or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of the holders of any other of such Securities or to obtain or seek to obtain priority over or preference to any other such holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all holders of Securities of such series. For the protection and enforcement of this Section, each and every Securityholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture, but subject to Article Fourteen, the right of any holder of any Security to receive payment of the principal of and premium, if any, and interest on such Security, on or after the respective due dates expressed in such Security, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

**SECTION 6.05. Powers and Remedies Cumulative; Delay or Omission Not Waiver.** All powers and remedies given by this Article to the Trustee or to the holders of Securities of any series shall, to the extent permitted by law and subject to Section 6.04, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or such Securityholders by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this indenture, and no delay or omission of the Trustee or of any holder of the Securities of any series to exercise any right or power accruing upon any default occurring and continuing as aforesaid, shall impair any such right or power, or shall be construed to be a waiver of any such default or an acquiescence therein; and, subject to Section 6.04, every power and remedy given by this Article or by law to the Trustee or to such Securityholders may be exercised from time to time, and as often as shall be deemed expedient by the Trustee or by such Securityholders.

**SECTION 6.06. Control by Securityholders; Waiver of Default.** The holders of a majority in aggregate principal amount of the Securities of any series at the time outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee with respect to Securities of such series; provided, however, that such direction shall not be otherwise than in accordance with law and the provisions of this Indenture; and provided further, that nothing in this Indenture shall impair the right of the Trustee to take any action deemed proper by the Trustee and which is not inconsistent with such direction by such Securityholders. The holders of a majority in aggregate principal amount of the Securities of any series at the time outstanding may on behalf of the holders of all of the Securities of such series waive any past default in the performance of any of the covenants contained herein or established pursuant to Section 2.01 with respect to the Securities of such series and its consequences, except a default in the payment of the principal of or premium, if any, or interest on any of the Securities of such series. In the case of any such waiver, the Company, the Trustee and the holders of the Securities of such series shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

**SECTION 6.07. Trustee to Give Notice of Defaults Known to It, but May Withhold in Certain Circumstances.** The Trustee shall, within 90 days after the occurrence of a default with respect to the Securities of any series, give to the Securityholders of such series, in the manner and to the extent required to do so by the Trust Indenture Act, notice of all defaults actually known to a Responsible Officer of the Trustee, unless such defaults shall have been

cured before the giving of such notice (the term "defaults" for the purposes of this Section being hereby defined to be the events specified in Sections 6.01(a), (b), (c), (d), (e), (f) and (g) with respect to Securities of such series not including periods of grace, if any, provided for therein and irrespective of the giving of them written notice specified in subparagraph (c) of Section 6.01); provided, however, that in case of any default of the character specified in subparagraph (c) of Section 6.01 no such notice shall be given until at least sixty (60) days after the occurrence thereof; and provided further, that, except in the case of default in the payment of the principal or of premium, if any, or interest on any of the Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Securityholders of such series.

**SECTION 6.08. Right of Court to Require Filing of Undertaking to Pay Costs.**

All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and reasonable expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Securityholder, or group of Securityholders, holding in the aggregate more than 10% in principal amount of the Securities of any series outstanding, or to any suit instituted by any Securityholder of any series for the enforcement of the payment of the principal or of premium, if any, or interest on any Security of such series, on or after the due dates expressed in such Security.

**ARTICLE SEVEN**

**Concerning the Trustee**

**SECTION 7.01. Duties and Responsibilities of Trustee.** With respect to the holders of any series of Securities issued hereunder, the Trustee, prior to the occurrence of an Event of Default with respect to the Securities of that series and after the curing or waiving of all Events of Default which may have occurred with respect to such series, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee. In case an Event of Default with respect to Securities of any series has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture with respect to such series and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default with respect to the Securities of any series and after the curing or waiving of all such Events of Default with respect to such series which may have occurred:

(1) the duties and obligations of the Trustee with respect to the Securities of that series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein);

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the registered holders given as provided in Section 6.06 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it.

SECTION 7.02. Certain Rights of Trustee. Except as otherwise provided in Section 7.01:

(a) the Trustee may conclusively rely and shall be protected in acting, or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture Security, other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced to the Trustee by a Company Order (unless other evidence

in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors shall be sufficiently evidenced to the Trustee by a Board Resolution;

(c) the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders, pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred by the Trustee in complying with such request, order or direction;

(e) whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee and such certificate, in the absence of bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture in good faith and in reliance thereon;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture Securityholder, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the expense of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it with due care hereunder;

(h) the Trustee shall not be charged with knowledge of any Event of Default with respect to the Securities of any series for which it is acting as Trustee unless either (1) a Responsible Officer of the Trustee shall have actual knowledge of the Event of Default or (2) written notice of such Event of Default shall have been given to the Trustee by the Company, any other obligor on such Securities or by any holder of such Securities; and

(i) the rights, privileges, protections, immunities and benefits given to the Trustee hereunder, including, without limitation, its rights to compensation, reimbursement and indemnification under Section 7.06, are hereby extended and also

made applicable to, and shall be enforceable by, the Trustee in each of its other capacities hereunder.

SECTION 7.03. Trustee Not Responsible for Recitals, etc. The recitals contained herein and in the Securities, except the Trustee's certificate of authentication and the representation as to the power of the Trustee to enter into this Indenture and accept and execute the trusts hereby created, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of any of the Securities or of the proceeds of such Securities.

SECTION 7.04. Trustee and Others May Hold Securities. Subject to Sections 7.07 and 7.12, the Trustee or any paying agent or Security registrar or any other agent of the Company or the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Company or other obligor on the Securities with the same rights it would have if it were not Trustee, paying agent, Security registrar or such other agent.

SECTION 7.05. Moneys Held by Trustee or Paying Agent. Subject to Sections 12.04 and 12.05, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but any paying agent that is a bank need not segregate such moneys from other funds except to the extent required by law and shall not be invested. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree with the Company to pay thereon. So long as no Event of Default with respect to Securities of any series, other than an Event of Default under subparagraph (c) of Section 6.01, shall have occurred and be continuing, all interest allowed on any such moneys shall be paid from time to time upon the written order of the Company, signed by its President, or any Vice President or its Treasurer or an Assistant Treasurer.

SECTION 7.06. Compensation and Indemnification of Trustee and Its Lien. The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and, except as herein otherwise expressly provided, the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as shall be caused by its own negligence or bad faith. The Company also covenants and agrees to fully indemnify the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, liability, claim, damage or expense incurred without negligence or bad faith on the part of the Trustee, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim or liability whether asserted by the Company, any Holder or any other Person. The obligations of the Company under this Section shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities. "Trustee" for

purposes of this Section shall include (i) the Trustee in each of its other capacities hereunder and (ii) any predecessor Trustee; provided, however, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 6.01, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any bankruptcy law.

The provisions of this Section 7.06 shall survive the termination for any reason of this Indenture and the resignation or removal of the Trustee.

**SECTION 7.07. Disqualification; Conflicting Interests.** If the Trustee shall have or acquire any conflicting interest within the meaning of the Trust Indenture Act, it shall either eliminate such conflicting interest or resign to the extent, in the manner and with the effect, and subject to the conditions, provided in the Trust Indenture Act and this Indenture. To the extent permitted by such Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee (i) under this Indenture with respect to Securities of more than one series. Nothing herein shall prevent the Trustee from filing with the Securities and Exchange Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

**SECTION 7.08. Persons Eligible for Appointment as Trustee.** The Trustee hereunder shall at all times be a corporation organized and doing business under the laws of the United States or any State or territory thereof or of the District of Columbia authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal, state, territorial, or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.09.

**SECTION 7.09. Resignation and Removal of Trustee; Appointment of Successor.** (a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to any one or more or all series of Securities by giving written notice to the Company and by mailing notice of such resignation, to the holders of Securities of that or those series at their last addresses as they shall appear on the Security Register. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee or trustees with respect to the applicable series by written instrument executed by order of the Board of Directors, one copy of which instrument shall be delivered to the resigning trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed with respect to a particular series and have accepted appointment within 30 days after the mailing of such notice of resignation, the resigning trustee may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor trustee, or any Securityholder who has been a bona fide holder of a Security or Securities of the applicable series for at least 6 months may, subject to Section 6.08, on behalf of himself and all others similarly situated, petition any

such court for the appointment of a successor trustee. Such court may thereupon after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) If at any time:

(1) the Trustee shall fail to comply with Section 7.07(a) after written request therefor by the Company or by any Securityholder who has been a bona fide holder of a Security or Securities for at least 6 months, or

(2) the Trustee shall cease to be eligible under Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Securityholder, or

(3) the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case, the Company may remove the Trustee with respect to the applicable series of Securities, and appoint a successor trustee by written instrument, in duplicate, executed by order of the Board of Directors of the Company, one copy of which instrument shall be delivered to the trustee so removed and one copy to the successor trustee, or, subject to Section 6.08, any Securityholder who has been a bona fide holder of a Security or Securities of any such series for at least 6 months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee with respect to such series.

(c) The holders of a majority in aggregate principal amount of the Securities of any series at the time outstanding may at any time remove the Trustee with respect to that series and appoint with respect to such series a successor trustee by delivering to the trustee so removed, to the successor trustee so appointed and to the Company, the evidence provided for in Section 8.01 of the action taken by the Securityholders.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.10.

**SECTION 7.10. Acceptance of Appointment by Successor Trustee.** Any successor trustee appointed under Section 7.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee with respect to any or all applicable series an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such

successor trustee all the rights, powers and trusts with respect to such series of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to Section 7.06.

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor Trustee and each successor Trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee.

No successor Trustee with respect to any series of Securities shall accept appointment as provided in this Section unless at the time of such acceptance such successor Trustee shall with respect to such series be qualified under Section 7.07 and eligible under Section 7.08.

Upon acceptance of appointment by a successor Trustee with respect to the Securities of any series, the Company shall mail notice of the succession of such Trustee hereunder to the holders of Securities of such series at their last addresses as they shall appear on the Security Register. If the Company fails to mail such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Company.

**SECTION 7.11. Merger, Conversion or Consolidation of Trustee.** Any person into which the Trustee may be merged or converted or with which it may be consolidated, or any person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any person succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such person shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

**SECTION 7.12. ### Concerning the Securityholders

SECTION 8.01. Evidence of Action Taken by Securityholders. Whenever in this Indenture it is provided that the holders of a specified percentage or a majority in aggregate principal amount of the Securities or of any series of Securities may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action) the fact that at the time of taking any such action the holders of such specified percentage or majority have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Securityholders in person or by agent or proxy appointed in writing, or (b) by the record of the holders of Securities voting in favor thereof at any meeting of Securityholders duly called and held in accordance with the provisions of Article Nine, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Securityholders.

SECTION 8.02. Proof of Execution of Instruments and of Holding of Securities. Subject to the provisions of Sections 7.01, 7.02 and 9.05, proof of the execution of any instrument by a Securityholder or his agent or proxy and proof of the holding by any person of any of the Securities shall be sufficient if made in the following manner:

The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in any State within the United States, that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer. Where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and the date of the execution of any such instrument may also be proved in any other manner which the Trustee may deem sufficient.

The ownership of Securities may be proved by the Security Register or by a certificate of the Security registrar.

The Trustee may require such additional proof, if any, of any material referred to in this Section as it shall deem necessary.

The record of any Securityholders' meeting shall be proved as provided in Section 9.06.

**SECTION 8.03. Registered Holders of Securities May Be Treated as Owners.** The Company, the Trustee, any paying agent, and any Security registrar may deem and treat the person in whose name any Security shall be registered upon the Security Register as the absolute owner of such Security (whether or not such Security shall be overdue and notwithstanding any notice of ownership or writing thereon made by anyone other than the Security registrar) for the purpose of receiving payment thereof or on account thereof and of interest thereon as herein provided and for all other purposes, and neither the Company nor the Trustee nor any paying agent nor any Security registrar shall be affected by any notice to the contrary. All such payments so made to any such registered holder for the time being, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

**SECTION 8.04. Securities Owned by Company Deemed Not Outstanding.** In determining whether the holders of the requisite aggregate principal amount of Securities have concurred in any direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities shall be disregarded and deemed not to be outstanding for the purpose of any such determination, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver, only Securities which a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section, if the pledgee shall establish to the satisfaction of the Trustee that the pledgee has the right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. Subject to the provisions of Section 7.01, in case of a dispute as to such right, any decision by the Trustee, taken upon the advice of counsel, shall be full protection to the Trustee.

**SECTION 8.05. Right of Revocation of Action Taken.** At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the percentage in aggregate principal amount of the Securities or of any series of Securities specified in this Indenture in connection with such action, any holder of a Security the serial number of which is shown by the evidence to be included in the Securities the holders of which have consented to such action may, by filing written notice with the Trustee at its principal office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid, any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders and owners of such Security, and of any Security issued in exchange therefor or in place thereof, irrespective of whether or not any notation in regard thereto is made upon such Security or any Security issued in exchange therefor or in place thereof. Any action taken by the holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in

connection with such action shall be conclusively binding upon the Company, the Trustee and the holders of all the Securities.

## ARTICLE NINE

### Securityholders' Meetings

SECTION 9.01. Purposes for Which Securityholders' Meetings May Be Called. A meeting of Securityholders may be called at any time and from time to time pursuant to this Article for any of the following purposes:

- (1) to give any notice to the Company or to the Trustee, or to give any directions to the Trustee, or to waive or to consent to the waiving of any default hereunder and its consequences, or to take any other action authorized to be taken by Securityholders pursuant to Article Six;
- (2) to remove the Trustee and appoint a successor trustee pursuant to Article Seven;
- (3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to Section 10.02; or
- (4) to take any other action authorized to be taken by or on behalf of the holders of any specified aggregate principal amount of the Securities under any other provision of this Indenture or under applicable law.

SECTION 9.02. Call of Meetings by Trustee. The Trustee may at any time call a meeting of Securityholders of any series to be held at any such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of Securityholders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be mailed by the Trustee, first-class postage prepaid, not less than 20 nor more than 180 days prior to the date fixed for the meeting, to the holders of Securities of such series at their last addresses as they shall appear upon the Security Register.

SECTION 9.03. Company and Securityholders May Call Meeting. In case the Company, pursuant to a resolution of its Board of Directors, or the holders of at least 10% in aggregate principal amount of the Securities of any series then outstanding, shall have requested the Trustee to call a meeting of Securityholders of such series, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have made the mailing of the notice of such meeting within 20 days after receipt of such request, then the Company or the holders of such Securities in the amount above specified may determine the time and the place in said Borough of Manhattan for such meeting and may call such meeting to take any action authorized in Section 9.01, by mailing notice thereof as provided in Section 9.02.

SECTION 9.04. Persons Entitled to Vote at Meeting. To be entitled to vote at any meeting of Securityholders of a series a person shall be (a) a registered holder of one or more

Securities of such series or (b) a person appointed by an instrument in writing as proxy for the holder or holders of such Securities by a registered holder of one or more such Securities. The only persons who shall be entitled to be present or to speak at any meeting of Securityholders shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 9.05. Determination of Voting Rights; Conduct and Adjournment of Meeting. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Securityholders, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 8.02 or other proof. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 8.02 and the appointment of any proxy shall be proved in the manner specified in said Section 8.02 or by having the signature of the person executing the proxy witnessed or guaranteed by any bank, banker, trust company or firm satisfactory to the Trustee.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Securityholders as provided in Section 9.03, in which case the Company or the Securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Section 8.04, at any meeting any Securityholder of a series or proxy shall be entitled to one vote for each \$1,000 principal amount of Securities of such series held or represented by him (in the case of Original Issue Discount Securities, such principal amount is the amount that would be due and payable upon the acceleration of the maturity thereof pursuant to Section 6.01) provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Securities of such series held by him or instruments in writing as aforesaid duly designating him as the person to vote on behalf of other Securityholders of such series. Any meeting of Securityholders duly called pursuant to Section 9.02 or 9.03 may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

At any meeting, the presence of persons holding or representing Securities in an aggregate principal amount sufficient to take action upon the business for the transaction of which such meeting was called shall be necessary to constitute a quorum; but, if less than a quorum be present, the persons holding or representing a majority of the Securities represented at the meeting may adjourn such meeting with the same effect, for all intents and purposes, as though a quorum had been present.

SECTION 9.06. Counting Vote and Recording Action of Meeting. The vote upon any resolution submitted to any meeting of Securityholders of a series shall be by written ballots on which shall be subscribed the signatures of the holders of Securities of such series or

of their representatives by proxy and the serial number or numbers of the Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Securityholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Sections 9.02 and 9.03. The record shall show the serial numbers of the Securities voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

### Supplemental Indentures

**SECTION 10.01. Supplemental Indentures Without Consent of Securityholders.** Without the consent of any holders of the Securities, the Company, when authorized by a resolution of its Board of Directors, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as it shall be in force at the date of execution of such indenture or indentures) for one or more of the following purposes:

- (a) to evidence the succession of another corporation to the Company, or successive successions, and the assumption by the Successor of the covenants, agreements and obligations of the Company pursuant to Article Eleven;
- (b) to add to the covenants and agreements of the Company such further covenants, agreements, restrictions or conditions for the protection of the holders of the Securities of all or any series as its Board of Directors and the Trustee shall consider to be for the protection of the holders of Securities of such series (and if such covenants, agreements, restrictions or conditions are to be for the benefit of less than all series of Securities, stating that such covenants, agreements, restrictions or conditions are expressly being included for the benefit of such series), and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, agreements, restrictions or conditions a default or an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth; provided, however, that in respect of any such additional covenant, agreement, restriction or condition such supplemental indenture may provide for a particular period of grace after default (which period may be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement upon such default or may

limit the remedies available to the Trustee upon such default or may limit the right of the holders of Securities to waive such default;

(c) to add, delete or modify any Events of Default with respect to all or any series of the Securities, the form and terms of which are being established pursuant to such supplemental indenture as permitted in Sections 2.01, 2.02 and 2.03 (and, if any such event of default is applicable to fewer than all such series of the Securities, specifying the series to which such event of default is applicable), and to specify the rights and remedies of the Trustee and the holders of such Securities in connection therewith;

(d) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provisions contained herein or in any supplemental indenture, or to make any other addition, modification or elimination as shall not be inconsistent with the provisions of this Indenture or any supplemental indenture and shall not adversely affect the interests of the holders of the Securities;

(e) to establish the form and terms of the Securities of any series as permitted in Sections 2.01, 2.02 and 2.03, or to authorize the issuance of additional Securities of a series previously authorized or to add to the conditions, limitations or restrictions on the authorized amount, terms of purposes of issue, authentication or delivery of the Securities of any series, as herein set forth, or other conditions, limitations or restrictions thereafter to be observed; and

(f) to evidence and provide for the acceptance of appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Section 7.10.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section shall be executed by the Company and the Trustee and shall not require the consent of the holders of any of the Securities at the time outstanding, notwithstanding Section 10.02.

**SECTION 10.02. Supplemental Indentures With Consent of Securityholders.**  
With the consent (evidenced as provided in Section 8.01) of the holders of not less than a majority in aggregate principal amount of the Securities of any series at the time outstanding, the Company, when authorized by a resolution of its Board of Directors, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act as it shall be in force at the date of execution of such indenture or indentures) for the purpose, with respect to Securities of such series, of adding any provisions to or changing in any manner or eliminating any of the

provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the holders of the Securities of such series; provided, however, that no such supplemental indenture shall (i) extend the fixed maturity, or the earlier optional date of maturity, if any, of any Security, or reduce the principal amount thereof or the premium thereon, if any, or reduce the rate, or make the principal thereof or premium, if any, or interest thereon payable in any coin or currency other than that provided in such Security without the consent of the holder of each Security so affected, or (ii) reduce the principal amount of Securities of any series, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all Securities of such series then outstanding.

Upon the request of the Company, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of the Securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion but shall not be obligated to enter into such supplemental indenture.

A supplemental indenture which changes or eliminates any provision of this Indenture or of any series of Securities which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of holders of Securities of such series with respect to such provision, shall be deemed not to affect the rights under this Indenture of the holders of Securities of any other series.

It shall not be necessary for the consent of the Securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Company and the Trustee of any supplemental indenture under this Section, the Company shall mail a notice, setting forth in general terms the substance of such supplemental indenture, to the holders of Securities at their last addresses as they shall appear on the Security Register. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

**SECTION 10.03. Effect of Supplemental Indentures.** Upon the execution of any supplemental indenture pursuant to the provisions of this Article, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of Securities shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

**SECTION 10.04. Notation on Securities in Respect of Supplemental Indentures.** Securities authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article or after any action taken at a Securityholders' meeting pursuant to the provisions of Article Nine may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such

supplemental indenture or as to any such action. If the Company and the Trustee shall so determine, new Securities of any series so modified as to conform, in the opinion of the Company and the Trustee, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Company, authenticated by the Trustee and delivered in exchange for the Securities of such series then outstanding.

SECTION 10.05. Opinion of Counsel to Be Given Trustee. Prior to executing any supplemental indenture, the Trustee shall be provided an Opinion of Counsel as conclusive evidence that any such supplemental indenture is authorized by the terms of this Indenture and that it is proper for the Trustee under the provisions of this Article to join in the execution thereof.

## ARTICLE ELEVEN

SECTION 11.01. Company May Consolidate or Merge, etc. Subject to the provisions of Section 11.02, nothing contained in this Indenture shall prevent any consolidation of the Company with or the merger of the Company into any other corporation, or any merger of any other corporation into the Company, or successive consolidations or mergers to which the Company or its successor or successors shall be a party or parties, or shall prevent any sale, transfer or lease of the properties of the Company as an entirety or substantially as an entirety to any other corporation lawfully entitled to acquire the same.

The Successor, other than a Successor by reason of a lease of the Company's properties, upon executing such indenture supplemental hereto, in form satisfactory to the Trustee, shall succeed to and be substituted for the Company with the same effect as if it had been an original party hereto, thus relieving the Company of all liabilities hereunder and under the Securities, and the Successor shall possess and from time to time may exercise each and every power hereunder of the Company, and may execute and deliver Securities hereunder, either

in the name of the Company or the Successor, and any act or proceeding required by this Indenture to be done or performed by any board or officer of the Company may be done or performed with like force and effect by the like board or officer of the Successor.

The foregoing to the contrary notwithstanding, the Company may sell, transfer or lease Qualifying Generation Facilities to any Affiliate of the Company and such sale, transfer or lease shall not be subject to the foregoing requirements of this Section 11.02, provided that the assets subject to such sales, transfers or leases occurring after the date of this Indenture shall not in the aggregate represent assets with a depreciated value on the books of the Company, calculated with respect to such assets at the time of each such sale, transfer or lease, in excess of 65% of the depreciated value on the books of the Company of its total assets as set forth in its balance sheet at September 30, 2000.

**SECTION 11.03. Documents and Opinion to Be Furnished to the Trustee.** The Company covenants and agrees that if it shall consolidate with or merge into any other corporation or if it shall sell, transfer or lease its properties, as an entirety or substantially as an entirety, the Company will promptly furnish to the Trustee:

(1) A certificate signed by the President or a Vice President and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of the Successor stating that the covenants of the Company contained in Section 11.02 have been complied with;

(2) An executed counterpart of any instrument or instruments executed by the Company or the Successor in the performance of such covenants; and

(3) An Opinion of Counsel stating that in the opinion of such counsel such covenants have been complied with and that any instrument or instruments executed by the Company or the Successor in the performance of such covenants comply with the requirements of such covenants.

Each certificate, instrument and opinion furnished to the Trustee pursuant to the provisions of this Section shall conform to the requirements of Section 15.06.

Subject to the provisions of Sections 7.01 and 7.02, the Trustee may receive an Opinion of Counsel conforming to the requirements of Section 15.06 as conclusive evidence that any such consolidation, merger, sale, transfer or lease, any such assumption and any such supplemental indenture or other instrument or instruments comply with the provisions of this Article.

### **Subordination**

**SECTION 14.01. Securities Subordinated to Senior Indebtedness.** With respect to Securities of any series as to which, pursuant to Section 2.03(n), it has been established that

SECTION 14.02. Events of Subordination. In the event (a) of any distribution of assets of the Company upon any dissolution, winding up, liquidation or reorganization of the Company, whether in bankruptcy, insolvency, reorganization or receivership proceedings or upon an assignment for the benefit of creditors or any other marshalling of the assets and liabilities of the Company or otherwise, except a distribution in connection with a consolidation, merger or sale, transfer or lease of the properties of the Company which complies with the requirements of Section 11.02, or (b) of any default by the Company in the payment of principal, premium, interest or any other payment due on any Senior Indebtedness, or in the event that the maturity of any Senior Indebtedness has been accelerated because of a default, and such default shall not have been rescinded, then:

(1) in the circumstance described in the foregoing clause (a) the holders of all Senior Indebtedness, and in the circumstance described in the foregoing clause (b) the holders of all Senior Indebtedness outstanding at the time the principal of such Senior Indebtedness shall have been so declared due and payable, shall first be entitled to receive payment of the full amount due thereon in respect of principal, premium, if any, and interest, or provision shall be made for such amount in money or money's worth, before the holders of any of the Subordinated Securities are entitled to receive any payment on account of the principal of, premium, if any, or interest on the indebtedness evidenced by the Subordinated Securities;

(2) any payment by, or distribution of assets of, the Company of any kind or character, whether in cash, property or securities (other than securities of the Company as reorganized or readjusted or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in this Article with respect to the Subordinated Securities, to the payment of all Senior Indebtedness, provided that the rights of the holders of the Senior Indebtedness are not altered by such reorganization or readjustment), to which the holders of any of the Subordinated Securities or the Trustee would be entitled except for the provisions of this Article shall be paid or delivered by the person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior

Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of such Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all Senior Indebtedness remaining unpaid after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness, before any payment or distribution is made to the holders of the indebtedness evidenced by the Subordinated Securities or to the Trustee under this Indenture; and

(3) in the event that, notwithstanding the foregoing, any payment by, or distribution of assets of, the Company of any kind of character, whether in cash, property or securities (other than securities of the Company as reorganized or readjusted or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in this Article with respect to the Subordinated Securities, to the payment of all Senior Indebtedness, provided that the rights of the holders of Senior Indebtedness are not altered by such reorganization or readjustment), shall be received by the Trustee or the holders of any of the Subordinated Securities before all Senior Indebtedness is paid in full, such payment or distribution shall be paid over to the holders of such Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably as aforesaid, for application to the payment of all Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution (or provision therefor) to the holders of such Senior Indebtedness.

SECTION 14.03. Subrogation. Subject to the payment in full of all Senior Indebtedness, the rights of the holders of the Subordinated Securities shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments or distribution of cash, property or securities of the Company applicable to such Senior Indebtedness until all amounts owing on the Subordinated Securities shall be paid in full, and, as among the Company, its creditors other than holders of such Senior Indebtedness, and the holders of the Subordinated Securities, no such payment or distribution made to the holders of Senior Indebtedness by virtue of this article which otherwise would have been made to the holders of the Subordinated Securities shall be deemed to be a payment by the Company on account of such Senior Indebtedness, it being understood that the provisions of this Article are and are intended solely for the purpose of defining the relative rights of the holders of the Subordinated Securities, on the one hand, and the holders of Senior Indebtedness, on the other hand.

SECTION 14.04. Obligation of Company Unconditional. Nothing contained in this Article or elsewhere in this Indenture or in the Subordinated Securities is intended to or shall impair, as among the Company, its creditors other than the holders of Senior Indebtedness, and the holders of the Subordinated Securities the obligation of the Company, which is absolute and unconditional to pay to the holders of the Subordinated Securities the principal of, premium, if any, and interest on the Subordinated Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the holders of the Subordinated Securities and creditors of the Company other than the holders of Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or the holder of any

Subordinated Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee and the holders of the Subordinated Securities shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which any such dissolution, winding up, liquidation or reorganization proceeding affecting the affairs of the Company is pending or upon a certificate of the trustee in bankruptcy, receiver, assignee for the benefit of creditors, liquidating trustee or agent or other Person making any payment or distribution, delivered to the Trustee or to the holders of the Subordinated Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of the Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount paid or distributed thereon and all other facts pertinent thereto or to this Article. In the event that the Trustee determines, in good faith, that further evidence is required with respect to the right of any person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Section, the Trustee may request such person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, as to the extent to which such Person is entitled to participate in such payment or distribution, and as to other facts pertinent to the right of such Person under this Section, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

**SECTION 14.05. Payments on Subordinated Securities Permitted.** Nothing contained in this Article or elsewhere in this Indenture, or in any of the Subordinated Securities, shall affect the obligation of the Company to make, or prevent the Company from making, payments of the principal of, premium, if any, or interest on the Subordinated Securities in accordance with the provision hereof and thereof, or shall prevent the Trustee or any paying agent of the Company from applying any moneys deposited with it hereunder to the payment of the principal of, premium, if any, or interest on the Subordinated Securities, in each case except as otherwise provided in this Article.

**SECTION 14.06. Effectuation of Subordination by Trustee.** Each holder of Subordinated Securities, by his acceptance thereof, authorizes and directs the Trustee in his behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article and appoints the Trustee his attorney-in-fact for any and all such purposes.

**SECTION 14.07. Knowledge of Trustee.** Notwithstanding the provisions of this Article or any other provisions of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of moneys to or by the Trustee, or the taking of any other action by the Trustee (and shall not be liable for making such payment or taking such action), unless and until a Responsible Officer of the Trustee having responsibility for the administration of the trust established by this Indenture shall have received written notice thereof from the Company, any holder of Subordinated Securities, any paying agent of the Company or any holder or representative of any class of Senior Indebtedness, and, prior to the receipt of any such written notice, the Trustee shall be entitled in all respects to assume that no such facts exist; provided that, if prior to the third

Business Day preceding the date upon which by the terms hereof any monies become payable for any purpose (including, without limitation, the payment of either the principal of or interest on any Subordinated Security), or the date of the execution of an instrument pursuant to Section 12.02 acknowledging satisfaction and discharge of this Indenture, a Responsible Officer of the Trustee shall not have received with respect to such monies or to such funds or obligations deposited pursuant to Section 12.02, the notice provided for in this Section 14.07, then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such monies or such funds or obligations and apply the same to the purpose for which they were received and shall not be affected by any notice to the contrary which may be received by it on or after such date.

**SECTION 14.08. Trustee's Relation to Senior Indebtedness.** The Trustee shall be entitled to all the rights set forth in this Article with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in Section 7.12 or elsewhere in this Indenture shall deprive the Trustee of any of its rights as such holder. Nothing in this Article shall apply to claims of or payments to the Trustee under or pursuant to Section 7.06.

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article, and no implied covenants or obligations with respect to the holders of Senior Indebtedness shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness, and the Trustee shall not be liable to any holder of Senior Indebtedness, if it shall mistakenly pay over or deliver to holders of Subordinated Securities, the Company or any other Person monies or assets to which any holder of Senior Indebtedness shall be entitled by virtue of this Article or otherwise.

**SECTION 14.09. Rights of Holders of Senior Indebtedness Not Impaired.** No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein shall at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.
