Dear Secretary Carnahan,

Re: Rule 4 CSR 240-31.060
Assessments for MoUSF Funding

CERTIFICATION OF ADMINISTRATIVE RULE

I hereby certify that the attached is an accurate and complete copy of the proposed amendment lawfully submitted by the Missouri Public Service Commission on this 30th day of June 2005.

The Missouri Public Service Commission certifies that it has conducted an analysis of whether or not there has been a taking of real property pursuant to section 536.017, RSMo and that this proposed amendment does not constitute a taking of real property under relevant state and federal law.

Section 536.300, RSMo Supp. 2004 requires state agencies to "determine whether the proposed rules affect small businesses and, if so, the availability and practicability of less restrictive alternatives that could be implemented to achieve the same results of the proposed rule." A small business is defined to be "a for-profit enterprise consisting of fewer than fifty (50) full or part-time employees." A proposed rule "affects" a small business if it "imposes any requirement" that "will cause direct and significant economic burden upon a small business, or is directly related to the formation, operation, or expansion of a small business."

Although compliance with some of the Commission's amended rules may entail expenditures by small businesses, the Commission's amendments simply require small businesses to comply with new Federal Communications Commission mandates, and the Commission is implementing these rules as directed by the Federal Communications Commission. Section 536.300.4 (Supp. 2004) exempts from the small business impact requirements rules that are

federally mandated, and any rule amendments that have an impact upon small businesses are federally mandated.

Statutory Authority: Section 392.200.2 RSMo Supp. 2004 and Sections 392.248 and 392.470.1 RSMo 2000.
