**Response to Commission Order
and Merger Status**

By order effective February 2, 2001, the Commission requested that a status be filed in the above referenced docket. This pleading addresses that status as well as the items required in the Commission order effective October 27, 2000.

1. The above referenced merger has been consummated.
2. World Access, Inc. ("WAXS"), WorldxChange Communications, Inc. ("WxC") and Communications TeleSystems International d/b/a WorldxChange ("CTI") (referred to together as the "Parties") have filed with the Commission an Adoption Notice and Tariff supplement reflecting that WxC has adopted the tariff of CTI. (A copy of said filing is attached as Exhibit A).
3. Based on the merger of CTI into WxC, the certificate of public convenience and necessity previously granted to CTI, may be cancelled. The tariff which is on file with the Commission for CTI, shall remain in effect as it has been adopted by WxC.

WHEREFORE, the Parties respectfully request that the Commission accept this status report and find that the requirements have been fulfilled with regard to the approved merger and that the Commission cancel the CPCN initially granted to CTI.

Respectfully submitted,
