OPPOSITION AND MOTION FOR PROTECTIVE ORDER

Comes now the Missouri Landowners Alliance (MLA), pursuant to Commission rule 4 CSR 240-2.080(13), and in response to the filing made this date by Grain Belt titled "Opposition to Motion to Compel of Missouri Landowners Alliance and Motion for Protective Order of Grain Belt Express Clean Line LLC", respectfully states as follows:

Given the information which the MLA has already provided, and for reasons of expediency, the MLA will provide only this brief response to the recent Grain Belt filing: the Commission's rules regarding confidentiality fully protect Grain Belt and Invenergy from release of the information in question, and negate the necessity for any further type of protective order.
