Subject: RE: Meeting with SNGMO

Good morning,

I'm following up on my email from last month, below.

Thanks,

Justina

Subject: Meeting with SNGMO

Good afternoon Eric,

Matt Kaply has asked me to help coordinate a meeting for late August/early September to discuss Spire's interest in receiving transport service from our line that extends from Aurora to Branson. Please let me know what information may be useful to you and your team prior to this meeting, and some days and times that may be convenient for you.

Looking forward to working with you,

Justina Waller
