Presiding Officer  
Missouri Public Service Commission

RE: Case No. EO-2008-0216 - Late Filed Information

Dear Judge Dippell:

At the oral argument that was held on September 20, 2010, Chairman Clayton asked that I provide certain information related to the implementation of the Empire District Electric Company fuel adjustment clause. This letter attempts to provide the information that the Chairman sought.

The fuel adjustment clause for the Empire District Electric Company was implemented in Case No. ER-2008-0093. The Report and Order in that case was issued on July 30, 2008. Compliance tariffs were filed on August 6 and 8, 2008. The Staff recommendation to approve the compliance tariffs was filed on August 8, 2008. The Commission's Order Granting Expedited Treatment and Approving Compliance Tariff Sheets was issued on August 12, 2008. The tariff sheets reflecting the permanent rate increase became effective on August 23, 2008 with the fuel adjustment clause tariff sheets becoming effective on the first day of the following calendar month, September 1, 2008.

I appreciate your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "David Woodsmall", written over a circular stamp or seal.
