Pursuant to Section 3.3 of the SPP Membership Agreement, Attachment O and Attachment Y of the SPP OATT, and to Notice to Construct (NTC) letter; SPP-NTC-210499, dated August 17, 2018; GridLiance High Plains LLC (GridLiance) is providing notice that it is accepting the commitment and obligation to construct the following project:

Project ID: 51331

Based on our review of the facilities requiring upgrade and the requested schedule, the +/- 20% cost estimate of this facility addition is \$1,400,000. Our current estimated in-service date for the upgrade is 12/31/19. GridLiance High Plains will submit this NTC Project Estimate through the Standardized Cost Estimate Reporting Template (SCERT) tool and provide quarterly updates of the Network Upgrade, as required by SPP.

Please contact me if you have questions or need to discuss this request.

Very truly yours,
