ORDER GRANTING MOTION

On June 29, 1988, the Office of the Public Counsel (Public Counsel) filed a motion requesting the Commission to consolidate Case Nos. TR-88-282, TR-88-283, TR-88-284 and File No. 8800148 into the above-referenced case pursuant to the provisions of 4 CSR 240-2.110(16).

The Public Counsel notes that the enumerated cases concern tariffs offering Alternative Operator Services (AOS) and the instant case involves an application for a certificate to provide AOS. In support of its motion Public Counsel states that these cases involve related questions of law and fact and that their consolidation would allow the Commission to develop a uniform general policy regarding AOS providers.

On July 8, 1988, International Telecharge, Inc. (ITI), filed its response in opposition to the motion to consolidate as did American Operator Services, Inc. (AOSI), on July 11, 1988. AOSI argues that Public Counsel is in error when it asserts that these cases present related issues of law and fact. AOSI notes that ITI, Teleconnect Long Distance Services and Systems Company, Dial U.S., and Dial U.S.A., have already received certificates of service authority to resell telecommunications services unlike AOSI which is seeking a certificate of service authority to provide operator services.

ITI argues that, since it has received a certificate of service authority to resell telecommunications services, it has the same authority to operate within the State of Missouri as do other resellers such as AT&T, MCI and US Sprint which are currently providing operator-assisted services similar to those proposed in ITI's tariff offering. ITI urges the Commission to treat all such carriers similarly.

On July 11, 1988, the Commission's Staff filed a motion in support of Public Counsel's motion to consolidate. Staff agrees with Public Counsel that these cases present common questions of law and fact and that the consolidation of these

cases would avoid repetitious costs and delays resulting from proceeding with them on an individual basis.

The Commission determines, pursuant to 4 CSR 240-2.110(16), that the motion for consolidation should be granted. In view of the relatively recent rise of AOS as a discrete telecommunications service, the Commission believes that consolidation of these cases will furnish it with an opportunity to develop a cogent policy as to the appropriate degree of regulation for providers of such services.

On October 14, 1987, ITI filed proposed tariffs to establish reseller and operator services in the State of Missouri. ITI requested an effective date for these tariffs which has been extended to August 1, 1988. ITI's proposed tariffs were denominated File No. 8800148 and subsequently filed in Case No. TA-88-12, the case in which ITI requested certification as a reseller of telecommunications services in the State of Missouri.

To determine if such services are in the interest of the public, it is the opinion of the Commission that ITI's proposed tariffs should be suspended for a period of 120 days beyond August 1, 1988, the requested effective date, unless otherwise ordered by the Commission. The Commission determines that the consideration of these tariffs should be denominated Case No. TR-89-6, which will become part of the consolidated case ordered herein.

On June 3, 1988, Dial U.S. and Dial U.S.A. (DUS and DUSA, respectively) both certificated resellers of telecommunications services, filed tariffs designed to establish operator services in the State of Missouri. On May 27, 1988, Teleconnect Long Distance Services and Systems Company (Teleconnect), also a certificated reseller of telecommunications services in the State of Missouri, filed tariffs designed to establish operator services in this state. On June 17, 1988, the Commission suspended the tariffs of DUS, DUSA and Teleconnect for 120 days beyond their requested effective dates to October 25, 1988.

On June 29, 1988, the Commission issued notice of the proposed tariffs of Teleconnect setting an intervention deadline of July 29, 1988, within which proper

entities desiring to intervene as to Teleconnect's proposed tariffs should file their applications to intervene. It is the Commission's opinion that proper parties should be given an opportunity to intervene in the matter of the tariffs filed by DUS, DUSA and ITI. Applications to intervene shall be filed by July 29, 1988, with the Secretary of the Missouri Public Service Commission, P.O. Box 360, Jefferson City, Missouri 65102, and copies sent as follows.

For Dial U.S., send copies to:

Joel W. Mixon
Network Manager
Dial U.S.
c/o Hedges Communications
1949 E. Sunshine, Suite 1-220
Springfield, Missouri 65804

For Dial U.S.A., send copies to:

Joel W. Mixon
Network Manager
Dial U.S.A.
c/o Communications Cable-Laying Co.
1045 East Trafficway
Springfield, Missouri 65802

For International Telecharge, Inc., send copies to:

Richard S. Brownlee, III
Attorney at Law
Hendren and Andrae
P. O. Box 1069
Jefferson City, Missouri 65102

The Commission determines that the Secretary of the Commission shall send a copy of this order to any persons or entities known to the telecommunications department of the Public Service Commission to be rendering identical or similar service within the State of Missouri, as well as to each telephone company rendering local exchange service and each provider of interexchange service within the State of Missouri. In addition, the Secretary shall send notice of this order to the publisher of each newspaper located in in the state as listed in the Newspaper Directory of the current Official Manual of the State of Missouri.

The Commission is of the opinion that the procedural schedule as already established in Case No. TA-88-218 should be retained.

It is, therefore,

ORDERED: 1. That the motion to consolidate of the Office of the Public Counsel is granted hereby.

ORDERED: 2. That the tariff sheets submitted by International Telecharge, Inc., on October 14, 1987, designed to establish reseller and operator services within the State of Missouri and designated File No. 8800148 are suspended hereby for a period of one hundred twenty (120) days beyond the requested effective date of August 1, 1988, to November 29, 1988, unless otherwise ordered by this Commission. These tariffs shall be considered hereinafter in Case No. TR-89-6.

ORDERED: 3. That any interested party wishing to intervene as to the aforementioned tariffs proposed by Dial U.S., Dial U.S.A. or International Telecharge, Inc., shall notify the Secretary of the Missouri Public Service Commission and the appropriate aforementioned parties on or before July 29, 1988.

ORDERED: 4. That Case Nos. TR-88-282, TR-88-283, TR-88-284 and TR-89-6 are consolidated hereby into Case No. TA-88-218.

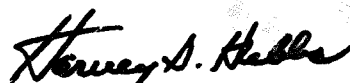

ORDERED: 5. That Case No. TA-88-218 is designated hereby the primary case file in this consolidated case.

ORDERED: 6. That the parties to Case No. TA-88-218 are made hereby parties to this consolidated case and are directed hereby to file herein the appropriate number of pleadings or other documents as required for a single case.

ORDERED: 7. That the procedural schedule established in Case No. TA-88-218 is retained hereby as the procedural schedule for the case consolidated herein.

ORDERED: 8. That this order shall become effective on the date hereof.
