BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the matter of Phase II Investigation)
of the Electric Class Cost of Service) CASE NO. EO-93-351
for St. Joseph Light & Power Company.)

ORDER AND NOTICE OF HEARING

On March 31, 1995, the parties in the above-styled case filed a Stipulation and Agreement, which appears to dispose of all of the remaining issues in the above-styled case. A hearing had been scheduled in Case. No. EO-93-351 for March 13 through March 17, 1995. The procedural schedule was suspended indefinitely on January 17, 1995, in response to formal indications that settlement of all issues was imminent.

The Commission is of the opinion that a hearing should be held for the formal presentation of the Stipulation and Agreement to the Commission, so that the Commissioners may have an opportunity to ask any questions they may have, and the parties may also have the opportunity to present any evidence or arguments they may have in support of the Agreement.

IT IS THEREFORE ORDERED:

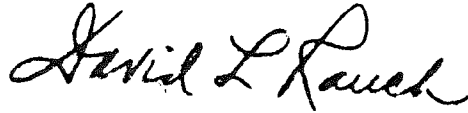

1. That a hearing to formally present to the Commission the Stipulation and Agreement filed by the parties on March 31, 1995, shall be held on April 18, 1995, at 10:00 a.m. in the hearing room of the Missouri Public Service Commission, Harry S Truman State Office Building, 5th Floor, 301 West High Street, Jefferson City, Missouri 65102.

2. That any person wishing to attend the hearing who has special needs as addressed by the Americans With Disabilities Act should contact the Missouri Public Service Commission as soon as possible at the following numbers: Consumer Services Hotline -- 1-800-392-4211 or TDD Hotline -- 1-800-829-7541.
