**Case No. TM-2001-669**

**ORDER DIRECTING FILING**

This order directs the applicant to correct the defects in its application.

Claricom Networks, Inc., *et al.* applied to the Missouri Public Service Commission on June 7, 2001, for approval of the transfer of all of their stock. The application was incomplete because it lacked two pieces of information required by the pleading and practice rules of the Commission.

Commission Rule 4 CSR 240-2.060(1)(K) requires a statement about whether the applicant has any pending action or final unsatisfied judgments or decisions against it and states:

All applications shall...include the following information:...A statement indicating whether the applicant has any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment or decision has occurred within three...years of the date of the application....

Claricom's application did not comply with Commission Rule 4 CSR 240-2.060(1)(K) because it did not include a statement indicating whether Claricom has any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court

which involve customer service or rates, which action, judgment, or decision has occurred within three years of the date of the application.

Commission Rule 4 CSR 240-2.060(1)(L) requires a statement that no annual report or assessment fees are overdue and states: "All applications shall...include the following information:...A statement that no annual report or assessment fees are overdue...."

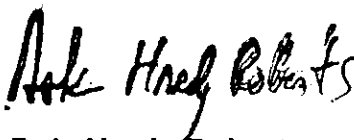

The Commission will require Claricom to file a supplemental pleading which must include (1) a statement indicating whether Claricom has any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment, or decision has occurred within three years of the date of the application; and (2) a statement that Claricom has no annual report or assessment fees that are overdue.

**IT IS THEREFORE ORDERED:**

1. That Claricom Networks, Inc., must file no later than June 28, 2001, a supplementary pleading complying with Commission rules as set forth above.
2. That this order shall become effective on June 28, 2001.
