**ORDER GRANTING INTERVENTION**  
**AND DIRECTING FILING OF PROCEDURAL SCHEDULE**

OnSite Access Local, LLC (OnSite), filed an application on April 27, 2000, for a certificate of service authority to provide basic local exchange telecommunications services in the state of Missouri under 4 CSR 240-2.060. OnSite wishes to provide resold and facilities-based intrastate basic local telecommunications services in all exchanges currently served by Southwestern Bell Telephone Company (SWBT), GTE Midwest Incorporated (GTE), and Sprint Missouri, Inc. (Sprint). The Commission issued a notice directing interested parties to file applications to intervene no later than June 1, 2000.

SWBT filed an application to intervene on May 31, 2000. SWBT states that it has a direct interest in the Commission's decision because it is authorized to provide basic local exchange telecommunications services within the state of Missouri. SWBT is authorized to provide the types of services within the state of Missouri that OnSite seeks to provide. SWBT argues that no other party will adequately protect its interests in this matter and that its intervention would be in the public interest because of SWBT's expertise and experience in the telecommunications industry.

The Commission has reviewed the application to intervene and finds that it is in substantial compliance with Commission rules regarding intervention and that SWBT has an interest in this matter which is different from that of the general public. The Commission concludes that SWBT's request for intervention should be granted and that the parties should file a proposed procedural schedule. The procedural schedule must include dates for the filing of testimony and for a hearing. If no party requests a hearing, the Commission may grant the service authority and competitive classification requested without a hearing. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2D 494, 496 (Mo. App. 1989).

**IT IS THEREFORE ORDERED:**

1. That Southwestern Bell Telephone Company is granted intervention in this case in accordance with 4 CSR 240-2.075(4).
2. That the parties shall file a proposed procedural schedule no later than June 26, 2000.
3. That this order shall become effective on June 16, 2000.
