**ORDER SETTING PREHEARING CONFERENCE**  
**AND REQUIRING FILING OF PROCEDURAL SCHEDULE**

On August 1, 2000, the Staff of the Missouri Public Service Commission (Staff) filed its recommendation herein, in which certain adjustments were proposed. On August 3, 2000, the Commission directed Missouri Gas Energy (MGE) to respond to Staff's recommendation on or before August 31, 2000. MGE timely filed its response on August 31. Therein, MGE agreed to one of Staff's proposed adjustments and objected to the other.

This matter is now at issue and a prehearing conference and procedural schedule are appropriate to ensure its prompt resolution. At the prehearing conference, the parties' representatives should be prepared to discuss the nature of any discovery each will conduct and the interval necessary for its completion; the number of witnesses each expects to call at hearing; the number and nature of any exhibits each expects to offer at hearing; and the anticipated length of the hearing. The parties' representatives should also be prepared to discuss the current status of settlement negotiations. It is expected

that the prehearing conference will provide an opportunity for the parties to further pursue settlement discussions.

The parties shall jointly file a proposed procedural schedule. The proposed procedural schedule shall establish dates for the prefiling of direct, rebuttal and surrebuttal testimony according to Commission rule, as well as dates for the filing of a joint list of contested issues to be determined by the Commission; a list of witnesses and proposed order of cross-examination; and position statements setting out each party's position as to each contested issue. The proposed procedural schedule shall also establish dates for the hearing of this matter.

**IT IS THEREFORE ORDERED:**

1. That a prehearing conference shall be held on October 20, 2000, beginning at 10:00 a.m. The prehearing will be held at the Commission's offices in the Governor Office Building, 200 Madison Street, Jefferson City, Missouri, a building that meets the accessibility standards required by the Americans With Disabilities Act. If you need additional accommodations to participate in this prehearing, please call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or 1-800-829-7541 (TDD) prior to the hearing.

2. That the parties shall jointly prepare and file a proposed procedural schedule no later than October 27, 2000.

3. That this order shall become effective on September 30, 2000.
