RE: LONG DISTANCE SERVICE

Dear Missouricom Customer:

Effective April 1, 2017, New Florence Telephone Company will adopt the long distance rates, services and tariffs of its wholly-owned affiliate Direct Communications Long Distance and will begin providing long distance service under the name MISSOURICOM.

Other than the change in name which will be reflected on future communications with our customers, the products, services, and rates you currently have will not change.

In addition, our relationship with you, our customer, will remain the same. Same people, same location and address and same great service.

If you have questions or concerns about the change, please call our office 573-835-2997. We appreciate our association with you and look forward to a continued relationship as your telecommunications provider.

Sincerely,

Missouricom
