ORDER AMENDING EFFECTIVE DATE

On December 22, 1992, the Commission issued a Report and Order which approved the sale of Union Electric Company's (UE) retail electric facilities in Iowa and northern Illinois. The Report and Order was to become effective on December 31, 1992.

On December 22, 1992, UE filed a motion to amend the effective date of the Report and Order to December 29, 1992. UE stated that the sales were anticipated to close on December 30, 1992 and that postponing the closing date would cause significant problems in the transfer of customer loads and employees. UE also stated that the Staff of the Commission, the Office of the Public Counsel and the intervenors in this case had no objections to the change in the effective date of the Report and Order nor to this amending order being made effective on the date of issuance.

The Commission finds that, in order to facilitate the closing of the sales approved in the Report and Order, UE's motion should be granted and the effective date of the Report and Order changed to December 29, 1992.

IT IS THEREFORE ORDERED:

1. That the effective date of the Report and Order issued in this case on December 22, 1992 is hereby amended from December 31, 1992 to December 29, 1992.

2. That this Order shall become effective on the date hereof.
