

STATE OF MISSOURI
PUBLIC SERVICE COMMISSION

At a session of the Public Service
Commission held at its office
in Jefferson City on the 8th
day of February, 1994.

In the matter of Greeley Gas Company for authority to file)
a tariff reflecting a change in rates to be reviewed in its) Case No. GR-93-15
1992-1993 ACA filing.)
)

ORDER APPROVING ACTUAL COST ADJUSTMENT

On July 12, 1993, the Greeley Gas Company, Southwest Missouri District, (Greeley) filed tariffs reflecting its calculation of the Actual Cost Adjustment (ACA) factor for the period from June 1992 to May 1993. There are approximately 650 customers in Greeley's Southwest Missouri District.

On February 2, 1994, the Commission's Staff (Staff) filed its recommendation. Staff states that during this ACA period Greeley purchased approximately 50 percent of its gas supply from Rangeline and North Whelan (its nonpipeline suppliers) and approximately 50 percent from Williams Natural Gas Company (WNG). Staff states that Greeley is currently under a five-year contract with Rangeline from November 1, 1991, to October 31, 1996. Also, there is a month-to-month contract with North Whelan which became effective September 17, 1990. Staff recommends no prudence adjustment during this ACA period. Staff also has determined that the gas cost allocations used in determining WNG gas costs, which are based on the state line meter, are reasonable. Staff also believes that the "lost and unaccounted-for" gas delivered to Missouri measured by the state line meter is reasonable.

After considering the ACA filing and Staff's recommendation, the Commission determines that the ACA calculations are proper and should be approved, that the rates for the ACA period should be changed from "interim subject to refund" to "permanent", and the case closed.

IT IS THEREFORE ORDERED:

1. That the Actual Cost Adjustment filed by the Greeley Gas Company for the Southwest Missouri District for the period from June 1992 to May 1993 be hereby approved.

2. That the Greeley Gas Company "interim subject to refund" rates for the period from June 1992 to May 1993 be hereby changed to "permanent".

3. That the Actual Cost Adjustment calculation for the period from June 1992 to May 1993 for Greeley Gas Company shall remain as a "\$4,131 overrecovery balance".

4. That this docket be hereby closed.

5. That this order shall become effective on the 18th day of February, 1994.
