On August 28, 1991, this Commission granted a certificate of service authority to Mid-Com Communications, Inc. (Company) to provide competitive intrastate interexchange telecommunications service. Company's certificate was conditional on approval of its tariff, which Company initially submitted on October 8, 1991. Following discussion with Staff, Company resubmitted said tariff on October 15, 1991, October 28, 1991, and December 23, 1991.
