On December 24, 1992, Missouri Utilities Company (MUC) was granted a certificate of convenience and necessity to own, operate, and maintain an existing water and sewer system and to provide service for a subdivision known as Elm Hills and located in Pettis County, Missouri. MUC was also ordered to file a complete set of tariffs within twenty days of the issue date of the Order Granting Certificate of Convenience and Necessity issued on November 24, 1992, in compliance with the rates and charges as set out in Attachment A of that Order. MUC filed proposed tariffs in accordance with the Commission's Order on December 14, 1992, and two correction sheets on December 22, 1992. On January 8, 1993, the Commission Staff (Staff) filed their recommendation based on the MUC tariff filing, stating that Staff, after review of the tariff sheets and substitute pages, recommended approval of the tariffs as filed and corrected by MUC.

The Commission determines that, after review of the proposed tariffs and Staff's recommendation, the proposed tariffs are in compliance with the Order of the Commission and should be approved for service on and after January 22, 1993.

IT IS THEREFORE ORDERED:

1. That the tariffs filed by Missouri Utilities Company in compliance with the Order issued in this case on November 24, 1992, be hereby approved for service on or after January 22, 1993, as follows:
