The Commission will dismiss UE's request but dismissing it without prejudice is not possible. If the Commission dismisses UE's request, then none of the data contained in its FERC Form No. 1 filed with the Commission would be considered confidential but will be considered public information. Thus, there will never be any possibility that UE could file a new request for making public information confidential because no relief could be given.

**IT IS THEREFORE ORDERED:**

1. That Union Electric Company d/b/a AmerenUE's first amended request for confidential treatment of certain data contained in FERC Form No. 1: Annual Report of Major Electric Utilities, Licensees, and Others, is dismissed.

2. That this order shall become effective September 27, 1999.
