Application of TDS Telecommunications	)	
Corporation for Approval of an	)	<u>Case No. TO-2001-77</u>
Interconnection Agreement under the	)	
Telecommunications Act of 1996	)	

**ORDER DIRECTING NOTICE**  
**AND MAKING U.S. CELLULAR CORPORATION A PARTY**

On August 8, 2000, TDS Telecommunications Corporation (TDS) filed an application with the Commission for approval of an interconnection agreement with U.S. Cellular Corporation (U.S. Cellular) under the provisions of the federal Telecommunications Act of 1996 (the Act). TDS states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. TDS requests expeditious approval of the agreement.

Although U.S. Cellular is a party to the agreement, it did not join in the application. Because U.S. Cellular is a necessary party to a full and fair adjudication of this matter, the Commission will add U.S. Cellular as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent

with the public interest, convenience, and necessity. 47 U.S.C. § 252(e).

The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for hearing. The requirement of a hearing is met when an opportunity to be heard has been provided and no proper party has requested the opportunity to present evidence. State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission, 776 S.W.2d 494, 496 (Mo. App. 1989).

Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously and, if there are no requests for a hearing, relief may be granted based on the verified petition. The Commission finds that notice of this application should be sent to all interexchange and local exchange telecommunications companies.

**IT IS THEREFORE ORDERED:**

1. That the Records Department of the Commission shall send notice to all interexchange and local exchange telecommunications companies.
2. That U.S. Cellular Corporation is made a party to this case.
3. That any party wishing to request a hearing shall do so by filing a pleading no later than August 30, 2000 with:

Missouri Public Service Commission  
Post Office Box 360

4. That the Staff of the Commission shall file a memorandum advising either approval or rejection of this agreement and giving the reasons therefor no later than October 16, 2000.

5. That this order shall become effective on August 21, 2000.
