ORDER APPROVING ACTUAL COST ADJUSTMENT AND CLOSING DOCKET

On March 2, 1992, the Staff of the Commission (Staff) filed a memorandum concerning Union Electric Company's (UE) 1990-1991 Actual Cost Adjustment (ACA) filing. Staff recommended the Commission maintain UE's 1990-1991 ACA rate on an "interim subject to refund" status until Staff completed a review of UE's latest contract demand study.

In addition, Staff indicated that it had proposed several adjustments to UE's 1989-1990 ACA filing in Case No. GR-90-71. Although a settlement had been reached between UE and Staff regarding those adjustments, they were not implemented because of the timing of their resolution. Staff recommended the Commission approve the implementation of Staff's adjustments in Case No. GR-90-71 as agreed to by UE.

On May 7, 1992, Staff filed a follow-up memorandum stating that it had completed its review of UE's contract demand study. Staff recommended the Commission approve UE's 1990-1991 ACA filing; change the rates effective from that filing from "interim subject to refund" status to "permanent" status; and close the docket.

Based upon Staff's recommendations, the Commission determines that Staff's adjustments to UE's 1989-1990 ACA filing in Case No. GR-90-71 should be implemented. The Commission also determines that UE's 1990-1991 ACA rates should be approved on a permanent basis, and that this docket should be closed.

IT IS THEREFORE ORDERED:

1. That the implementation of the adjustments to Union Electric Company's 1989-1990 Actual Cost Adjustment filing in Case No. GR-90-71, as agreed to by the Commission's Staff and Union Electric Company, is hereby approved.

2. That the Actual Cost Adjustment rates filed in this case by Union Electric Company for the period of 1990-1991 are hereby approved on a permanent basis.

3. That Case No. GR-91-131 is hereby closed.

4. That this Order shall become effective on June 2, 1992.
