day of September, 2000.

In the Matter of Missouri Gas Energy's Fixed)
Commodity Price PGA and Transportation Discount)
Incentive Mechanism.) Case No. GO-2000-705

ORDER ADOPTING CORRECTED ATTACHMENT

On August 1, 2000, the Commission issued an order approving the Amended Stipulation and Agreement submitted by the parties. On September 5, 2000, the parties jointly requested that the Commission allow them to correct an error in Attachment 1 of that agreement. The parties stated that an inadvertent error in column (a) of Attachment 1 of the Amended Stipulation and Agreement would materially alter the calculation of the trigger price and is inconsistent with the intent of the parties during negotiations.

The Commission has considered the unanimous motion of the parties and finds that Attachment 1 to the Amended Stipulation and Agreement should be accepted and the corrected Attachment 1 should be substituted for the original.

IT IS THEREFORE ORDERED:

1. That the Corrected Attachment 1 attached to this order is substituted for the Attachment 1 to the Amended Stipulation and Agreement approved by the Commission on August 1, 2000.

2. That all other provisions of the Commission's August 1, 2000, order shall remain in effect.

3. That this case may remain closed.
