**ORDER CANCELING PRIVATE PAY TELEPHONE CERTIFICATES**

Issue Date: November 14, 2005

Effective Date: November 24, 2005

This order cancels the private pay telephone certificates of CAI of Texas, Inc., Mannacom Telecommunications, Inc., and Northwestern Communications, Inc., (hereinafter collectively referred to as "Providers").

On October 13, 2005, the Staff of the Missouri Public Service Commission filed a motion requesting that the certificates to provide pay telephone service of the Providers be canceled. Staff originally requested that the certificate of Teletrust, Inc., also be canceled. On October 20, 2005, Staff withdrew its request that Teletrust's certificate be canceled.

Staff alleges none of the Providers has returned a statement of revenue for at least the past two years. In addition, Staff states that each of the Providers is a foreign corporation which was administratively dissolved by the Missouri Secretary of State. Section 351.602.3, RSMo 2000, states that "The authority of a foreign corporation to transact business in this state ceases on the date shown on the certificate revoking its certificate of authority."

Staff argues that by failing to maintain their authorization to operate in the State of Missouri and by failing to return statements of revenue the Providers have violated their certificates to provide payphone services.

Staff served its motion on the registered agent for service of process of each of the Providers with the exception of CAI of Texas, Inc. CAI of Texas, Inc.'s service was by certified mail to its corporate address. No responses to Staff's motion were filed.

Section 392.410, RSMo 2000, gives the Commission authority over the granting of certificates of service authority to provide telecommunications services. The Commission has reviewed the motion and finds that the private payphone certificates granted to each of the Providers shall be canceled.

To ensure that the Providers have had every opportunity to respond, the Commission shall order its Data Center to serve a copy of this order on the company address and the registered agent addresses as listed in Staff's motion.

**IT IS THEREFORE ORDERED:**

1. That the private payphone certificate granted to CAI of Texas, Inc., in Case No. TA-92-244 is canceled.
2. That the private payphone certificate granted to Mannacom Telecommunications, Inc., in Case No. TA-96-133 is canceled.
3. That the private payphone certificate granted to Northwestern Communications, Inc., in Case No. TA-2000-296 is canceled.

4. That the Commission's Data Center shall mail a copy of this order to each of the companies and their registered agents at the addresses as listed in Staff's motion.

5. That this order shall become effective on November 24, 2005.

6. That this case may be closed on November 25, 2005.
