

October 19, 2012

Mr. Steven Reed
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Reed:

The accompanying tariff sheet issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), is being transmitted for filing as a revision of Schedule No. 5:

Filed
Original Sheet No. 217.1
Original Sheet No. 217.2

These tariff sheets are being issued October 19, 2012 to become effective on and after May 1, 2013.

These sheets are filed in compliance with the Nonunanimous Stipulation and Agreement regarding Ameren Missouri's Voluntary Green Program filed on September 20, 2012 and approved by the Commission on October 13, 2012. This tariff filing reflects the terms of the new contract between Ameren Missouri and 3 Degrees, the company contracted to provide this service to our customers.

A 60 day notice, pursuant to 4 CSR 240-4.020(2), was not filed. The Company does not believe such a notice was required given that Pure Power was at issue in the Company's rate case, File No. ER-2012-0166, and so no communication on this matter could have occurred.

Sincerely,

Wendy Tatra
