ORDER GRANTING EXTENSION OF TIME TO FILE INITIAL BRIEFS

Issue Date: March 3, 2023

Effective Date: March 3, 2023

An evidentiary hearing was held on February 21-22, 2023. At that hearing, the regulatory law judge directed that initial briefs would be due March 6, 2023, and reply briefs would be due March 17, 2023. The regulatory law judge also stated that the transcripts would be filed in the Commission's electronic filing and information system (EFIS) on February 28, 2023. However, due to unforeseen circumstances, the transcripts were not filed in EFIS until the afternoon of March 1, 2023.

Also on March 1, 2023, the Office of the Public Counsel field a request of an extension of time to file the briefs until March 10, 2023. Public Counsel indicated that the Staff of the Commission did not object. The Commission finds the request for an extension reasonable and will grant it, in part. Because the Commission is also working on a shortened time frame for the decision, it will only grant an extension until March 9, 2023. Barring some additional good cause to do so, no extension of time to file reply briefs will be granted.

THE COMMISSION ORDERS THAT:

1. Initial briefs shall be filed no later than March 9, 2023.

2. Reply briefs shall be granted no later than March 17, 2023.
3. This order shall be effective when issued.
