ORDER APPROVING TARIFF

On August 13, 1992, Riverside Utility Company filed a revised sewer tariff pursuant to the Commission's order issued April 16, 1992. Said tariff reflects the second step of a sewer rate increase authorized by the Commission's April 16 order.

On September 3, 1992, the Commission Staff filed its recommendation. Staff states that the tariff complies with the Commission's above-referenced order, has no effect on any other Company filing or practice, and recommends that the Commission approve same.

Having considered the tariff and Staff's favorable recommendation, the Commission finds that said tariff is reasonable, complies with the Commission's order of April 16, 1992, and will herein approve same.

**IT IS THEREFORE ORDERED:**
