Case No. WR-95-296

ORDER APPROVING TARIFF

On May 12, 1995, the Commission issued an Order Granting Rate Increase in this case. Ordered Paragraph No. 2 from that order required KMB Utility Corporation to file a proposed tariff sheet to change the surcharge for its Lakewood Hills service area from \$6.10 to \$6.27. On May 31, 1995, the company filed its tariff sheet pursuant to the Order with an effective date of July 1, 1995. On June 19, 1995, the Water and Sewer Department Staff of the Public Service Commission (Staff) filed its Memorandum in which it recommended approval of the tariff sheet as filed.

The Commission has reviewed the Staff Memorandum and the entirety of the file and finds that the tariff sheet filed herein will, in fact, increase the Environmental Improvement and Energy Resources Authority (EIERA) surcharge from \$6.10 per month to \$6.27 per month. The Commission finds this tariff sheet has been filed in compliance with the Order and should be approved. The Commission further finds that the surcharge tariff provides for yearly adjustment because the decrease in the number of customers in Lakewood Hills will require an increase in the surcharge rate. The Commission further finds that where a tariff requires updates,

these updates should be made and a tariff filed where appropriate and the company has complied with this requirement.

IT IS THEREFORE ORDERED:

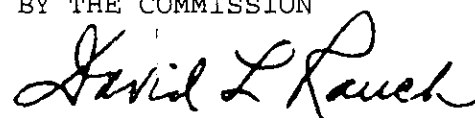

1. That the tariff sheet filed by KMB Utility Corporation on May 31, 1995, is in compliance with the Commission's Order Granting Rate Increase of May 12, 1995, and is hereby approved for service on and after July 1, 1995:

P.S.C. Mo. No. 1

1st Revised Sheet No. 6B-1, Cancelling Original Sheet No. 6B-1

2. That this order shall become effective on July 1, 1995.
