Communiqué Plus Card Service.)	

ORDER APPROVING TARIFF

On September 26, 1994, Hedges & Associates, Inc., d/b/a Dial U.S. filed a proposed tariff sheet to establish a calling card service for US WATS called Communiqué Plus Card. US WATS Communiqué Plus Card is reserved for those subscribers committed to one or more of the US WATS family of products. Carrier provides an 800 number for customers who are out of their local calling area to access Carrier's switch. Customer receives dial tone then enters authorization code followed by the desired destination number. In a separate action, Dial US submitted proposed tariff sheets for rate changes for US WATS on September 12, 1994 and this was assigned the PSC tariff file #9500170. This tariff sheet was filed with an effective date of October 12, 1994. Dial US has now requested an effective date for Case No. TT-95-97 to coincide with the effective date of tariff file #9500170.

On September 29, 1994, the Public Service Commission Telecommunication Staff (Staff) filed its Memorandum recommending approval of Dial US' proposed tariff filing with an effective date of October 12, 1994, and in a separate memo has also recommended approval of the Dial US tariff file #9500170, also with an effective date of October 12, 1994.

The Commission has reviewed the Staff Memorandum and the entirety of both Case No. TT-95-97 and tariff file #9500170 and as to the

tariff filed in Case No. TT-95-97, the Commission finds that the coordination of the implementation of services and their prices is in the public interest and the Commission will approve the tariff request herein and grant approval on an expedited basis.

IT IS THEREFORE ORDERED:

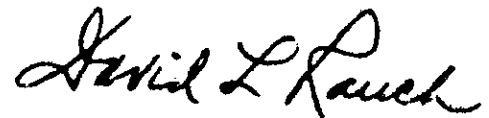

1. That the tariff sheets filed by Hedges & Associates, Inc., d/b/a Dial U.S. on September 26, 1994, are hereby approved for service on and after October 12, 1994.
